ISSUE No. 587

5/32 Channel Highway, Kingston. 7050 • Ph: 6229 3655 • Email [editorial@kchronicle.com.au](mailto:editorial@kchronicle.com.au)

TUESDAY, 6 JULY 2021

Ishmael and Titia were among the experienced Van Diemen Fencing Club fencers at the Tarremah Steiner School hall on Saturday, July 3 to celebrate the club's 10th anniversary. Ishmael, a Taroona High School student, has been fencing for three to four years. Titia began fencing a decade ago, for around two years, and then returned to the sport around two years ago as a parent. See next week's *Kingborough Chronicle* for full story and more pictures.

## By-laws for public input

**Kingborough Council has invited public submissions on four proposed by-laws, including parking by-laws, following the passing of a motion of intent on June 7 to make by-laws by absolute majority.**

Council's General Manager Gary Arnold published a notice of the proposed by-laws, pursuant to section 157 of the *Local Government Act 1993*, in *The Mercury* on June 26.

The proposed new rules include a parking by-law:

"That there is a system and guidelines in place to control commercial activities.

"Those vehicles being driven and parked within parking areas are doing so in an orderly manner to avoid confusion and conflict.

"That public parking areas are being used for their intended purpose.

"That there is an adequate enforcement system in place."

The proposed new laws also include a parks, recreation and natural areas by-law:

"That parks, recreation, natural areas and council land are used in such a manner as not to create a public health nuisance.

"That there is an adequate enforcement system in place."

The proposed by-laws also include a marine facilities by-law that includes:

"That there is a system in place to control any commercial activities that may be conducted from marine facilities; and

"That there is an adequate enforcement system in place."

The intended by-laws to be created are titled:

- Marine Facilities By-law No.1 of 2021
- Health and Environmental Services By-law No.2 of 2021
- Parks, Recreation and Natural Areas By-law No.3 of 2021
- Roads and Parking By-law No.4 of 2021

Acting Mayor of Kingborough, Cr Jo Westwood said in media release on June 26, the proposed by-laws provide for the health, safety and welfare of the community.

"Most of our operations as a council are regulated or guided by a range of related legislation, regulations, by-laws and policies," Acting Mayor Westwood said.

"These ensure the interests of the community are represented and provide for good governance within our municipality.

"These proposed by-laws will govern how community members operate and use marine facilities, protect the community in matters relating to public and environmental health, regulate the use of recreational facilities and ensure that roads and parking areas are appropriate."

To view the proposed by-laws and associated Regulatory Impact Statements search on council's website or link to <https://www.kingborough.tas.gov.au/council/codes-legislations-laws/>

Regulatory impact statements and the proposed by-laws can also be purchased from the Kingborough Civic Centre or the Bruny Island Service Centre, Main Road, Alonnah, Bruny Island.

Mr Arnold stated public enquires on the content and effect of the proposed by-laws can be directed to Scott Basham at [kc@kingborough.tas.gov.au](mailto:kc@kingborough.tas.gov.au) or via phone at 6211 8200.

Submissions can be made in writing to [kc@kingborough.tas.gov.au](mailto:kc@kingborough.tas.gov.au) or sent via post to Kingborough Civic Centre, 15 Channel Highway, Kingston, Tasmania, 7050.

Submissions are due by close of business on Monday, July 19.

## O'Byrne steps down

**Tasmania's recently elected Opposition Leader, Member for Franklin, David O'Byrne MP has resigned from his leadership role as an investigation takes place into allegations he sexually harassed a junior employee over a decade ago.**

The alleged harassment took place while the complainant worked for Mr O'Byrne at the Liquor, Hospitality and Miscellaneous Union.

Mr O'Byrne delivered a statement to the media on June 30.

"I have read today's media reports concerning a complaint which has been made to the Tasmanian Labor Party Secretary, which will be the subject of an investigation," said Mr O'Byrne.

"Whilst I have not yet received a copy of the complaint, I believe it necessary to publicly respond to some of the matters reported today.

"I acknowledge that my behaviour did not meet the standards I would expect of myself.

"I also acknowledge I have let down my wife and family.

"At the time of the reported events, I genuinely believed the kiss and text

exchanges to be consensual, however, I now understand that this was not the case.

"The matter has caused me to reflect deeply on the matter of consent and I've come to appreciate why this person concerned says our interactions were not consensual.

"I have written to her to offer my unreserved apology for the unwanted contact and text.

"I genuinely thank her for having the strength to bring this issue to light and I also thank other women who have advocated and spoken about their personal experiences, to inform the current national conversation about consent.

"I will be standing aside as Opposition Leader today, for the duration of the investigation into this matter."

Member for Braddon, Anita Dow MP has taken on the role of Acting Labor Leader.

Ms Dow is a former Mayor of Burnie who previously worked as a registered nurse and is currently also involved in agriculture with her family.

**LETTER TO THE EDITOR**

**Carefully concealed neglect**

Dear Editor,  
How discouraging, distressing and divisive is *The Mercury* newspaper heading of June 28 titled "More oldies, fewer migrants will hurt young wallets"? Federal Treasurer Josh Frydenberg MP speaks ominously about economic reform, saying Australia must pursue "much of which is hard and contested". Clearly there is greater hardship in store for those 'oldies' who are already living well below the poverty line, and there is worse to come. What kind of Federal Government do we have? In the current context, 'aged care' is a complete misnomer. More appropriate are terms like 'carefully-concealed neglect'.

**Margaret Nicol-Smith**

**Jireh House winter appeal**

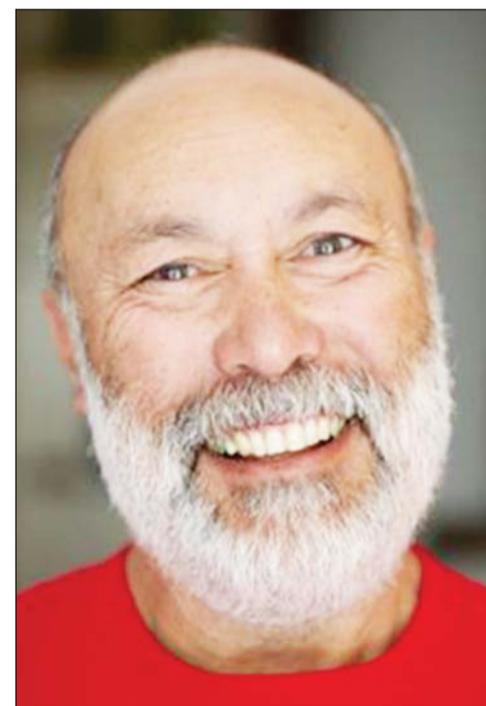

**Jireh House women's shelter is calling for donations of new items for its annual winter appeal.**

Due to COVID-19 only new items can be accepted this year. The shelter provides 24-hour crisis accommodation and support for around 90 women and 120 children annually, who have become homeless due to domestic violence and other traumatic life crises. Household items needed include towels, sheets of all sizes, women and children's pyjamas, saucepans, crockery, cutlery and glassware. Self-care items needed include shampoo, conditioner, toothpaste and toothbrushes. Cleaning products needed include laundry items, washing baskets and buckets. Grocery gift cards from supermarkets are also highly supportive for singles and families, for when they leave the shelter. Items for Jireh House can be delivered to Anna Vincent at the Kingston office of Nic Street MP, Shop 96, Channel Court Shopping Centre until August 6.

**Antarctic talk**

**The Browns River History Group has invited Jan Adolph to give a presentation about Macquarie Island and the Antarctic on Monday, July 12.**

Jan Adolph has been associated with the Antarctic since 1982 when he spent a year at Davis Station. Jan went on to Casey and Mawson stations and Macquarie Island, conducting maintenance and repairs. Jan worked in the Australian Antarctic Division from 1991 to 2014. During this time Jan took many photos of the unique environment and will share stories about some of the places on the icy continent. The talk is being held in the Kingston Library Learning Centre (Old Kingston Primary School), Block A, Room A1 at 8 Hutchins Street, Kingston, from 3pm to 4pm. All are welcome, with free entry for paid up members or otherwise a gold coin donation appreciated. The event is restricted to 27 people, first come, first seated.

Jan Adolph will give a presentation about Macquarie Island and the Antarctic, hosted by the Browns River History Group on Monday, July 12. (PS)

**Campaign to remove firearms**

**Crime Stoppers Tasmania is urging Tasmanians to take advantage of a national amnesty and surrender unwanted firearms, without fear of penalty, as part of a National Illicit Firearms Campaign launched on July 1.**

Crime Stoppers is partnering with Tasmania Police to help answer questions from the community and explain how and where to safely dispose of a firearm. Crime Stoppers Tasmania Chair, David Daniels, said there are around 250,000 long arm and 10,000 handguns in Australia, either unregistered or unable to be registered, as well as prohibited accessories such as silencers and ammunition. "The focus of the national amnesty is to reduce the number of unwanted, unregistered and illicit firearms in the community by encouraging people to do their bit by handing in a firearm so that it doesn't fall into the wrong hands," said Mr Daniels. "Whether it's an inherited family heirloom, an old gun

left in the back of the shed, received from a friend or family, or a firearm legally registered but no longer needed, they all remain a potential risk to community safety. "An amnesty provides opportunity to safely dispose of a firearm without cost or penalty." Crime Stoppers Tasmania said 'grey market' firearms are those that should have already been handed in or registered and are not typically kept by people with any criminal intent, however they can end up in the hands of people who plan to use them for criminal purposes. "The added challenge that comes with grey market firearms is that when they become lost or stolen an owner is less likely to report this to police because they worry about being prosecuted for having an unregistered firearm to begin with, so handing it in for destruction removes that burden," said Mr Daniels. The amnesty also provides opportunity for people to register their firearm or apply for an appropriate licence.

Channel United Under 11s soccer team wore special socks during last week's game to raise awareness for MND (Motor Neurone Disease). The local team came together with the idea to increase awareness after one of their team mates, Izzy, lost her grandfather recently to the disease. Currently there is no known cure for MND and every year the International Alliance of ALS/MND Associations celebrate June 21 as the global day of recognition of ALS/MND. (PS)

# Affordable housing support increased

On Friday, July 2, Tasmanian Parliament passed legislation to help first home owners and reduce stamp duty enacted through the Treasury Miscellaneous (Cost of Living and Affordable Housing Support) Bill 2021.

- The passing of the Bill includes;
- Increasing the First Home Owners Grant from \$20,000 to

\$30,000, backdated to 1 April 2021 until 30 June 2022;

- Increasing the threshold for the 50 per cent stamp duty concession to apply to purchases up to \$500,000 for Tasmanians buying their first home and pensioners downsizing their family home, which will be backdated to 16 March 2021;

- Reducing land tax costs by increasing thresholds, allowing payment by instalments on accounts over \$500 and reducing interest applied to deferred payments; and
- Capping the Motor Accidents Insurance Board duty as part of our new quarterly vehicle registration payment option.

# Monitoring behaviour at Kingston Park

Kingborough Council has installed 18 extra security cameras in Kingston Park and upgraded security cameras at the Kingborough Community Hub in an effort to address anti-social behaviour.

In a combined press release on July 1, Kingston Police Inspector Mark Burke and Acting Mayor of Kingborough, Jo Westwood, reassured the community that council and police are working together to address anti-social behaviour occurring at Kingston Park.

"I have become increasingly concerned with the number of conversations I have had with community members reporting bad behaviour in Kingston Park after dark," Cr Westwood said.

"To protect the community, council has installed 18 extra security cameras in the park as well as upgraded the security cameras at the Community Hub.

"We have contracted a private security team to patrol the area twice every night.

"We have tasked staff with cleaning up any mess left from the night before, but this isn't sustainable over the long-term and it's disappointing that it has come to this.

"We are in the process of transitioning our Community Services team to the Kingborough Community Hub which will help build ties with our young people as well as provide a stronger day time staff presence at the park.

"I do not want anti-social behaviour to become a regular problem in the park.

"Council takes this very seriously and that's why I have met with Inspector, Mark Burke from Kingston Police, to make sure we are working together on this issue."

Inspector Burke said police patrols have been increased in the area.

"I'd like to reassure the Kingborough community that we are here for them and that there is a police presence in Kingborough at night time," Inspector Burke said.

"Although the station might not be open, I want to assure the community that there are police patrols through Kingborough throughout the evening.

"If anyone witnesses any serious anti-social behaviour anywhere in the community, please call the 131444 or if it's an emergency 000."

# Election inquiry passes Upper House

**There is a potential win on the way for transparency and accountability in Tasmania, after Independent and Labor Members of Tasmania's Upper House passed a motion to establish a Joint Select Committee, with broad terms of reference to inquire into the conduct of the 2021 State elections.**

The motion passed the Upper House, eight votes to three, on Tuesday, June 29, with opposition from Liberal Members defeated.

Independent Member for Nelson, Meg Webb tabled a Notice of Motion to establish the Committee on June 22. "Support for this motion, is a win for accountability, transparency and a demonstrates a willingness to strengthen our democratic institutions" Ms Webb said.

"It was particularly significant that all Independent Members voted in support of the motion, as well as the Labor Members of the Legislative Council.

"This motion squarely prioritises the public interest over political self-interest."

The *Kingborough Chronicle* wrote to elected local

members of Parliament on June 23, after Independent Member for Nelson, Meg Webb, tabled a Notice of Motion to establish the Committee.

"Do you agree Tasmania's Parliament should put in place a routine practice of conducting a Parliamentary review or inquiry after each election (as routinely done in other jurisdictions)?"

A spokesperson responded on behalf of Liberal Members Elise Archer MP, Jacquie Petrusma MP, Nic Street MP and Madeleine Ogilvie MP.

"The Tasmanian Electoral Commission and the Electoral Commissioner already have statutory responsibilities for the independent and impartial conduct of elections and referendums under the *Electoral Act 2004*.

"As there is already an impartial framework in place for conducting, administering and reviewing elections within Tasmania, the establishment of a Parliamentary Committee to enquire and report on the same thing would be duplication and unnecessary, and a waste of public resources."

However, Ms Webb MLC said the Tasmanian community deserves to have confidence in electoral processes and to know that their Parliament is proactively working to deliver that confidence.

"This Committee, if supported in the Lower House, will provide a forum for people to have a voice, through asking questions, raising concerns and providing evidence," stated Ms Webb.

"The Gutwein Liberal Government now has the opportunity to 'walk the walk and talk the talk' on accountability and transparency.

"I would hope it will be willing to participate in the Joint Select Committee rather than block this standard Parliamentary process.

"Governments of all political stripes in other states and in our Federal Parliament support and participate in similar routine election reviews.

"This motion asks all Members of Parliament to put partisan tribalism aside, and instead don the one set of colours that is Tasmania's democracy."

# Smarter waste for Kingborough

**The Waste Smart Kingborough project by Sustainable Living in Kingborough (SLiK) is a partnership with Kingborough Council and Fika Café at Kingston Beach.**

SLiK worked closely with Mel Staples from Kingborough Council on the concept and then obtained a grant from Kingborough Council.

SLiK has used the grant money and matching funds to hire for a one year period a set of two FOGO (Food Organics Garden Organics) bins which will be collected by the company Veolia weekly.

The purpose of these bins is to collect the compostable takeaway coffee cups and other food takeaway packaging, which Fika is providing to its customers.

SLiK has made up some educational signage which is placed on the bins informing the customers why the compostable takeaway cups must not go in either the landfill or recycle bins that are provided already on the street by council.

The need for the project is in response to a bin audit by council conducted by council last year whereby it was found that there was confusion among the customers of takeaway drinks as to which bin was appropriate, and that most were ending up in the recycle bin.

Because compostable packaging cannot be recycled the entire contents of the recycle bin were deemed contaminated and therefore going to landfill.

The compostable takeaway cups that were being placed in the landfill bin have a similarly disastrous outcome, as the compostable packaging becomes anaerobic when squashed in landfill creating methane gas, which is 10 times more toxic than carbon dioxide and again an outcome which SLiK aims to provide some education on.

Clare Glade-Wright, a spokesperson for SLiK said "SLiK are hoping that this bin trial may also lead to the council deciding that further FOGO bins can be provided elsewhere around the municipality, even if it just one café at a time."

"The food providers are doing the right thing by switching to compostable packaging and now we need to step up to the plate and provide the correct bins for the packaging, otherwise it was pointless for the food provider to switch in the first place."

The Waste Smart Kingborough project is expected to divert 25,000 litres of compostable material from landfill and prevent recycling bins from being contaminated in the area.

The Kingborough Acting Mayor, Jo Westwood said

Kingborough Council was committed to reducing the amount of waste going to landfill.

"As well as reducing the amount of waste sent to landfill, council also wants to improve our community's access to information and resources.

"That's why this month we are beginning our 'No Waste Nothing' campaign which features a character, Mamma Rosa, in a series of videos highlighting great waste reduction tips.

"Mamma Rosa is played by comedian Roseo Kokkoris a Tasmanian Actor with Italian origins who has a family inspired love for not wasting anything.

"This month is Plastic Free July, so council is promoting a video which aims to encourage, through humour, more recycling of our soft plastics."

Members of Sustainable Living in Kingborough (SLiK) Clare Glade-Wright, Jane Kent and Garry Rose with the new FOGO bin and educational signage. (PS)

# Celebrating Madge's 90th birthday

**Margate resident and local history author Madge Lowe celebrated her 90th birthday with family and friends at Wrest Point on May 28, 2021.**

Many speeches were given, including one from close friend John Richmond.

"We would like to congratulate you on the occasion of your 90th birthday and wishing you and your husband Byron many more happy years ahead," said Mr Richmond.

"Your life has been one of long and loving service to your community which few could equal.

"You have always been closely involved with friends and family and are a very familiar figure in Margate, and your garden is much admired.

"It all started years ago when you learned the piano at a very early age and you soon put your skills to good use playing at school and local concerts.

"This went on to include end of war concerts, Empire Day and various parades and other celebrations.

"After leaving school you took up a position at Nettlefolds in the spare parts department and served there for a number of years.

"There was always plenty other things to do such as helping mum and dad on the farm, but still you found time to get a local club group going and play the organ at the local Methodist Sunday school.

"Madge married Byron in 1954, a long and very happy relationship which over the years has brought much pleasure and joy to both parties.

"Together you shared many common interests, family, friends, gardening, overseas travel and a love of country life.

"Madge made many friends playing and entertaining on the cruise ships, sometimes mixing with the rich and famous.

"When Madge got up to play, everyone there stood up and applauded, and the song requests came in one after another, such happy memories.

"Later on, Madge and a few friends got together and formed a lively little musical group of local entertainers calling themselves the Melody Makers.

"They were a popular group and performed at various local functions.

"Madge took up a clerical position working at the Treasury Building in Hobart from 1978 to 1989 while Byron worked at the local Brookfield Estate for 27 years, followed by another 17 in the Transport Department," noted Mr Richmond.

"In 1992 an event occurred which was to have a profound effect on Madges life thereafter.

"A skid on gravel coming down the hill towards the bridge at Lune River badly damaged her car when it hit the bridge post.

"Worst of all, Madge was seriously injured and several of her face bones were broken.

"After six and a half weeks in surgery at St Helens hospital, Madges face was patched up with screws and plates.

"The doctors did a wonderful job leaving no evidence at all of the injury.

"Laying in the hospital for three weeks gave Madge time to think about her friends and the many folk living around Margate who had family stories to tell.

"Not much had been written down previously about the Channel area, so almost immediately Madge

decided if it hadn't been done before, then she was the one to do it.

"So with lots of patience and skill Madge went from door to door, street to street, village to village, speaking to thousands of people getting down their memories and gathering up their stories.

"Little did she know at the beginning what a herculean task she had taken on, but eventually the task was completed and now we have the result; a very fine record of pioneering life in early Margate and the surrounding districts in six books.

"Later followed talks to school children about her books and life experiences with some of her stories appearing in the newspapers.

"Never one to let the grass grow underneath her feet, Madge's next project was the Kingston Concert Party which she ran at the Redwood Road Hall for about 15 years, playing the piano.

"This was a great success and brought many happy folk together to sing and join in the fun.

People also came in from the nursing homes and when that wasn't possible, the concert party would go out to visit them.

"Madge was nominated for the Order of Australia, which she didn't receive but she must have got fairly high on the list with an invitation to Government House and a chat with Governor Sir Guy Green," noted Mr Richmond.

"Madge also received an award from the Kingborough Council in recognition of her outstanding historical and community work.

"Well done Madge, your time in this world has been very well spent."

# Carnival Fun at Channel Court

Welcome one and all to the Channel Court Shopping Centre Carnival Games this School Holidays.

Starting today, Tuesday July 6 and running to Saturday, July 17, the School Holiday Carnival Game brings fun and prizes to the whole family.

Bring mum or dad with their mobile phone, download the free Channel Court AR Carnival App, explore the Shopping Centre and visit the four locations to play each game.

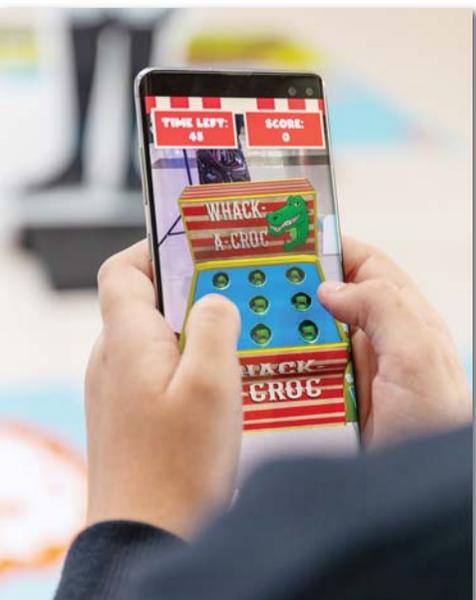

As you play you will collect tickets and once you reach 100 tickets, approach the Prize Desk to receive your prize.

Full details, terms and conditions can be found at [channelcourt.com.au](http://channelcourt.com.au).

Channel Court Shopping Centre can't wait to share this game with you!

Along with the Carnival Games, Channel Court is a great destination this School Holidays for a delicious family lunch and wonderful shops to explore and enjoy.

[channelcourt.com.au](http://channelcourt.com.au)

## ROLL UP TO THE CHANNEL COURT CARNIVAL!

Join in the fun  
6 July - 17 July

### HOW TO PLAY

**STEP 1**

Go to your app store, search Channel Court AR Carnival and download the FREE app.

**PRIZE SHOP**

**OPEN**  
THURSDAY TO SATURDAY  
\*6, 9, 10, 15, 16, 17 July 2021

**STEP 2**

Go to one of the 4 locations in the centre, open the app, and scan the floor tile. The game will pop up and play away!

**STEP 3**

Play the games, collect tickets.

**STEP 4**

Go to our Prize Shop once you have 100+ tickets to receive your prize.

T&C's apply. Limited prizes available. While stocks last. Limited game plays per day. Device must have internet connection to play.

**BLACKMANS BAY** 36 Timbertop Drive \$890,000 Plus 3 2 Helen Lehane 0400 339 054 & Nana Coburn 0488 244 631 First National Kingston

## Impressive home in dress circle position

**Holding a commanding position with breathtaking views across Blackmans Bay to the Tasman Peninsula, this impressive property offers an exceptional family residence.**

Upon entry the quality of a well-built home is evident. High ceilings and large picture windows flood the living areas with natural light, drawing attention to the truly magnificent, ever changing views.

Oak framing and plush curtains add to the warmth and character of this beautiful property.

The central kitchen, positioned between two living areas, will serve as the perfect family hub.

The dining area, formal lounge and second living room provide ample separate spaces to accommodate the diverse needs of a busy family.

The master bedroom has a delightful view of the front garden, an ensuite bathroom and sizeable walk-in robe.

A well thought out floorplan sees the remaining two bedrooms situated in a separate wing of the home,

allowing privacy and retreat.

The main bathroom is warm and bright with bath, shower and separate toilet.

The rear deck and low-maintenance garden catch the afternoon sun and provide a level space for the kids to play or a sunny spot for a vegetable patch.

There's a generous garage and large workshop.

Spacious under-house storage lends itself to further expansion if desired, subject to council approval.

Located in a well-established area, this property presents an excellent family home in a much sought-after pocket of Blackmans Bay.

# MEET KERRI-LOUISE HOOPER

**Highly professional and knowledgeable with excellent interpersonal skills**

While Kerri-Louise was very clearly working in the best interests of her client, as purchasers in this case, she also made us feel important and valued too.

In a 'hot market' it's easy for agents to be inconsiderate and dismissive of potential buyers and it can still come at the cost of the client.

Kerri-Louise's interest in our needs as buyers helped us to see the true value of this property for us - and this ultimately helped the vendor's sale price. Properties might be selling quickly but a good agent can still be highly influential on the final price.

We appreciate her thoughtful and respectful approach and should we ever be selling at some point, we'll ask Kerri-Louise to help us.

## Breathtakingly grand

**This lifestyle property offers an unbelievable wow factor upon entry to its grounds.**

Positioned back from the road, a 469 square metre, split-level family home rests on a tranquil 3699 square metre allotment, soaking up magnificent views of the Huon Valley and the majestic Sleeping Beauty mountain range.

The property beings with a driveway through manicured grounds leading up to the sprawling residence.

Vast, bright interiors are anchored by timber flooring and a modern open-plan design, with an abundance of natural light from the myriad of double-glazed windows.

The heart of the home is dedicated to a gourmet kitchen, with stainless steel appliances, a dishwasher, generous cabinetry, sweeping bench tops and large walk-in pantry.

From here, living and dining areas are in view, facilitating family interaction while baking is in progress.

This central domain leads to the alfresco area, perfect for year-round entertaining.

There's a cinema room, complete with surround sound for family movies nights, and a home office.

On the family wing, the master bedroom is complete with lush carpet, walk in robe and lavish ensuite.

The second bedroom also offers walk in robe and ensuite.

Three additional bedrooms utilise the family bathroom, with separate shower room and powder room.

On the lower-level multiple living zones include a large rum-pus room, home gym, double garage and plenty of storage.

There are multiple powder rooms and a mud room/laundry with generous storage.

This meticulous build is sure to impress the most discerning purchaser seeking a relaxing country setting in the sought-after Lucaston area.

# KINDER AND EARLY LEARNING

## Kindergarten at St Michael's Collegiate

The kindergarten program at St Michael's Collegiate is inspired and informed by the Reggio Emilia philosophy, the Early Years Learning Framework, inquiry and play-based approaches, and nature education.

Children are exposed to authentic, relevant experiences and benefit from small student-teacher ratios and a home-like learning environment.

The Reggio Emilia Approach is an innovative philosophy to early childhood education and care.

The essence of this approach is that it values the child as strong, capable, resilient and rich in wonder and knowledge.

Every child brings with them an innate curiosity, creativity and a deep potential to understand the world and their place in it.

This philosophy is not a method or a pre-defined curriculum, each school or community responds in its own particular way, based on the needs and interests of those children within that community.

The 'hundred languages' is a key principle of the Reggio-inspired approach.

It refers to communication and emphasises the importance of providing children with one hundred ways to share their thinking of the world around them.

The new Kinder Studio 'Yarrahappini' has recently undergone substantial renovations and has been purpose-built for the kindergarten students.

The Kinder Studio has transformed into a learning space that reflects the Reggio Emilia teaching philosophy.

Yarrahappini is now flooded with natural light and provides all-around views of Anglesea's beautiful grounds and spectacular views of kunanyi.

St Michael's Collegiate is inviting the community in to tour and to see why the Collegiate Junior School is such a special place.

Collegiate can be contacted on 6211 4970 or via email to [enrolments@collegiate.tas.edu.au](mailto:enrolments@collegiate.tas.edu.au)

For further information about our Junior School Spalding Program, scan the QR code below.

## Early explorers at St Aloysius

'Explorers' is a birth-to-five early learning program at St Aloysius Catholic College.

Catholic Education Tasmania has worked closely with schools and their local communities to develop the early year's program model 'SETUP for Success', to promote learning for life for both young children and their families.

As a SETUP for Success program, Explorers is open to all families within the community who have a child aged between birth and five years.

The qualified coordinators at St Aloysius Catholic College develop tailored programs inspired by Christian values to meet the needs of children and families with-

in the local community.

Children and their families are encouraged to play together, develop social skills through play, engage in fine and gross motor development activities, participate in language development, enjoy storytelling and much more.

St Aloysius Catholic College acknowledges that parents, carers, and families are the first and most important influences in a child's life.

The College's program supports parents to play with their child and to better understand their child's early learning and development.

The Explorers team are currently busy planning activities and adventures for Term 3.

The College offers two Thursday sessions and two Friday sessions each week and have recently added a fortnightly 'Tot's time' session, specifically for birth to one year old children.

One of the Thursday sessions is specifically designed for pre-kinder age children, along with their younger siblings and parents.

This session has been created to support the development of friendships and support families as they transition into kindergarten.

For more information including session times, visit the College website at [www.staloyusius.tas.edu.au/birth-to-five-explorers](http://www.staloyusius.tas.edu.au/birth-to-five-explorers)

# KINDER AND EARLY LEARNING

## Learning through play at Mount Carmel

### Kindergarten at Mount Carmel College is built upon the foundation of learning through play.

In 2022, Mount Carmel College is offering flexibility for families, with kindergarten operating five days per week for four and five-year old girls.

By extending their kindergarten program to five days a week, the school aims to assist families in managing their weekly commitments, providing more flexibility.

#### Learning in kindergarten

Mount Carmel's kindergarten program is play-based,

inquiry-led and child centred.

It is designed to provide interesting, diverse and challenging experiences that give children the opportunity and time to build confidence, social skills and independence in a secure and nurturing environment.

The Early Years Learning Framework 'Belonging and becoming' aims to stimulate social, emotional, cognitive, linguistic, creative and physical development.

#### Kindergarten fees

Mount Carmel offer affordable fees and easy payment

options to suit all families, with a flat annual fee of \$3225 for tuition in kindergarten during 2022, irrespective of the number of days nominated.

#### Kindergarten program features

- The different needs, interests and development levels of every student are celebrated and affirmed
- Indoor and outdoor learning environments.
- Participation in wider school activities, such as sporting carnivals, arts festivals, grandparents and special friends morning and liturgical celebrations.

- Weekly specialist classes, including music, physical education and library.
- A buddy relationship with the year 4 students.
- Regular Bush Kinder sessions, exploring the natural environment of nearby Lambert Park.

As a Catholic school, Mount Carmel College provides an integrated Religious Education program.

A personal tour is recommended as the best way to discover the school's kindergarten program.

Mount Carmel College can be contacted on 6216 7900 or via email to [enrol@mountcarmel.tas.edu.au](mailto:enrol@mountcarmel.tas.edu.au)

Kindergarten pupils use hands-on exploratory play as part of their learning experiences at Kingston Primary School. (PS)

The Kindergarten program at Mount Carmel College features regular Bush Kinder sessions, exploring the natural environment of nearby Lambert Park. (PS)

# Kindergarten 2022

**OPEN MORNING**  
 Tuesday, August 10  
 9am-10.30am

**Mount Carmel College**  
 Courage.  
 Compassion.  
 Justice.

In 2022, Mount Carmel College is offering flexibility for families with Kindergarten running five days a week.

Our Kinder program encourages curiosity, fun, adventure and discovery in a secure and nurturing environment.

Our Kinder students participate in wider school activities and enjoy weekly specialist classes.

We offer affordable fees that don't compromise educational standards or results.

The best way to discover the opportunities that Mount Carmel can offer your child, is to book a personal tour. Contact our Enrolments Officer at [enrol@mountcarmel.tas.edu.au](mailto:enrol@mountcarmel.tas.edu.au) or call **6216 7900**.

# Meet the Candidates

## Kingborough Council by-election for Mayor and Councillor

**The Kingborough Chronicle wrote to all candidates in the upcoming Kingborough Council by-election for the positions of Mayor and Councillor.**

The below questions came from the Kingborough community to help learn more about potential candidates on matters important to the local community.

**The questions sent to all candidates were:**

1. What would you like to improve for Kingborough?
2. What would you like to keep the same and maintain for Kingborough?
3. How important is improving local roads and properly fixing potholes to you?
4. How should traffic flow be managed on the Channel Highway (Kingston CBD) once it's redeveloped?
5. What is your view on current police levels in Kingston and the wider Kingborough areas?

**All candidates were invited to answer the community questions, below were the candidates that responded in time.**

### David Bain

**Councillor candidate**

1. We need to create a municipality with adequate facilities and amenities, and the provision of safe, secure and connected communities.

Continue to improve on the basics, better roads and decent footpaths, connecting shared paths, contemporary playgrounds and quality public toilets.

On a larger scale we need to work closely with State and Federal Government in areas such as traffic congestion, public transport, health services and sensible housing development and associated infrastructure.

2. I believe Kingborough is a great place to live and raise a family, with so many things right on our doorstep including inviting beach precincts, great sporting facilities, parks and playgrounds, tracks, and open space for exercise or to take the dog.

It is these elements of liveability that I really appreciate and would like to maintain and improve on for Kingborough.

3. A priority for me as Councillor would be to create neighbourhoods that we can be proud of.

Having road, footpath and track infrastructure to quality standards is essential in trying to reach this outcome.

4. I think the message from the community has been that people want a vibrant, functioning central Kingston, and that means converting the main street by widening footpaths, narrowing the road, and building a safer pedestrian crossing.

These changes, along with improved shared path connections and potentially relocating bus stops, would aid in managing traffic flow.

5. With an increase in population, there is a need to provide the adequate infrastructure and services to provide for this.

We need to be engaging with the State Government about new services that are required.

A priority should be an emergency services hub in Kingborough, which includes enhanced ambulance services, enhanced firefighting services, and a 24/7 police presence.

This will lead to creating a more inviting and sociable Kingborough.

### Sue Bastone

**Mayor candidate**

1. I would like to improve the layout of greater Kingston.

It is currently a hodge-podge of disconnected shopping and commercial areas.

A priority for me would be to employ a strategic planner for our planning department, whose job would be to create a cohesive master plan for Kingston for the next 50 years.

To be proactive, rather than trying to retrofit and play catch-up.

2. The amazing rate of volunteerism and community spirit, the caring attitude of the community towards others, our landcare groups who care for the environment and our amazing community service department on council.

3. Extremely important.

No matter where you live, you need roads and footpaths that are easily traversed.

Living in the country we seem to notice the potholes in the road and when I have been door knocking I have noticed the poor state of some of our footpaths.

We all need to notify council if we notice work that needs doing.

4. Once the redevelopment of the Channel Highway is complete, the road will be much narrower, with a dedicated cycleway and wider footpaths to allow for tree planting and outdoor dining.

There will be traffic calming humps and the bus stops relocated, which will make it easier to choose another route rather than slow so much.

We can also lower the speed limit on the Channel Highway stretch to 20km.

5. It is time Kingston is stopped being treated as the small holiday area that it once was and have a manned police station at least from 6am to 10pm, if it isn't possible to have 24 hour service.

Yet another instance of the need for ongoing communication with State Government.

### Di Carter

**Councillor candidate**

1. I want Kingborough to thrive, keep the community at heart and not leave people behind in the wake of the growth and development of our wonderful municipality.

I am an inclusion champion, which means I will be a voice for all people, including older people, people with disability, culturally and linguistically diverse people to have their needs met.

2. I agree with the people I have met while door knocking who have said that Kingborough Council is doing a great job removing rubbish, upgrading stormwater drains, investing in parks and playgrounds and other community facilities.

3. As a car driver, cyclist and walker, I know how dangerous potholes can be, so maintaining infrastructure assets is always a key responsibility and priority of our local council.

Short-term and long-term plans using detailed financial and asset planning are vital in improving our roads and bridges to allow safe access throughout our wonderful community.

4. A 40km speed limit would be advisable on the soon to be resurfaced road.

Clear signage, improved sight lines, and disabled parking spots, along with dedicated bike pathways and another crossing or overpass for pedestrians will create a safer and more user-friendly precinct connection between Channel Court, Kingston Park and Kingston Plaza.

Diverting Kingston Park traffic away from the main street is already improving traffic flow and developing a new bus interchange will give better and safer access to its users.

5. I have talked to Tasmania Police about 24/7 coverage for Kingston and am assured that there is continuous response coverage and on-call arrangement when the Kingston and Woodbridge police stations are not staffed.

I understand that 24/7 presence of police at the stations is not currently viable nor necessary, but I believe that residents can be assured that public safety is a priority and that further back-up is also provided by the Road and Public Service teams as another quick additional response when required.

### Gideon Cordover

**Mayor candidate**

1. I would like a street tree strategy, an aquatic centre for the Kingborough Sports Precinct, and a net-zero emissions council.

I'd like covered bus shelters with digital displays that tell when your next bus is coming plus more frequent and reliable public transport.

2. We are blessed with magnificent natural assets and we need to look after them, not let them be trashed.

We have a kind, caring community which COVID highlighted, council can keep supporting inclusive and supportive services for all ages.

4. CBDs are for people, not for cars.

From Times Square in New York to Elizabeth Street Mall in Hobart, once you make places clean, green and walkable with water features, trees, separated cycleways and rapid public transport, it attracts people to stop, stick, stay and spend at our local businesses.

This is more comfortable for the community and better for business.

It's a win-win.

Traffic can then zip around the CBD via the Huon Highway and the outlet without getting slowed down by the newly activated, green and welcoming CBD streetscape.

5. Keeping our community safe is far more complicated than simply adding more police.

We live in one of the safest communities in Australia despite having a relatively small police presence.

Other places have far more police on the beat and yet have far higher crime rates.

It is simplistic to think that more police equals less crime when, in fact, more employment, more health-care, more passive surveillance, more night-lighting and more close-knit neighbours is what results in less crime.

We need diversion programs, justice reinvestment, activities for teenagers, social workers, mental health care.

I will work closely with our Kingborough Community Safety Committee to find out areas of concern and share ideas for safety improvements.

### Flora Fox

**Mayor candidate**

1. I advocate continuous improvements to long-term strategies.

These strategies include planning, infrastructure provision and maintenance, climate change adaptation, environmental protection, and social interaction.

2. I am pleased that council has long-term strategies in place, to provide value for your rates, a healthy, socially inclusive and connected community.

3. Council has long-term strategies for building and maintaining roads, bridges, footpaths, walkways, stormwater, parks, playgrounds, and community facilities.

A procedure exists for fixing potholes and local roads in a timely and efficient manner.

Continuous review of these strategies ensures they reflect changing conditions and community needs.

Additionally, plans exist for council to respond to emergencies such as floods or fires.

4. The CBD will be accessible to traffic from all directions by the ring-road route of Beach Road, Church Street, Freeman Street and John Street.

Council will make Kingston's CBD a low-traffic, pedestrian-friendly precinct with convenient access to car parking and the bus.

Decades of community consultation has led to this concept.

5. Kingborough is a relatively safe community.

Council provides well managed parks, playgrounds, sporting, and community facilities to promote positive interactions for all age groups.

Kingborough's population growth has justified the addition of more police officers this week.

### Clare Glade-Wright

**Mayor and Councillor candidate**

1. I have broken my vision down into three categories, thriving people, thriving economy and thriving environment.

I want to see our council working better with the State Government to come up with inviting public transport solutions for the 8000+ commuters from our region into the city.

The council must also generate more income to fund the many important priorities which are unfunded by the existing budget like the climate change plan, pedestrian and cycle linkages, infrastructure, and services such as youth services.

2. We are blessed with magnificent natural assets and we need to look after them, not let them be trashed.

We have a kind, caring community which COVID highlighted, council can keep supporting inclusive and supportive services for all ages.

We should keep and improve the wonderful sporting assets that we have here in Kingborough.

An aquatic centre would be superb.

I feel the dog walking areas should remain and more areas be created as they are clearly well utilised and loved.

3. It is vitally important that we keep on top of the capital works program and respond to issues with the roads as they arise and better still, keeping them maintained enough before they become potholed.

How do we balance paying for the improvements?

My plan to generate more income for the council through, stronger developer contributions, crowd-funding of some projects, more assertive grant applications, and council investing in more ventures that return a profit whilst remaining within the council parameters.

4. I believe that traffic calming in the CBD area is appropriate to make it a more welcoming and pedestrian-friendly environment.

The current plan for the CBD has a single lane, more pedestrian crossings, more street parking, and wider footpaths to accommodate for more activated streetscapes.

I endorse the plan and welcome the changes.

5. I am concerned that there is not enough police, ambulance or career firefighter presence in Kingborough.

Given we are growing so rapidly, I feel it is important that we advocate for a 24-hour police station as well as an ambulance and fire station for our municipality.

Many in the community have expressed their concerns to me about insufficient police presence.

This is something that our council can advocate for strongly.

### Phoenix Harrison

**Councillor candidate**

1. Quality and transparent urban planning.

Kingborough needs a long-term planning strategy. We should aim to enrich the lives of Kingborough residents with open areas, thoroughfares, and public amenities.

Youth programs to engage our teens.

Teens are an often overlooked yet vital part of our community.

They are our future neighbours, business owners and community leaders.

Let's get them engaged.

A thriving, self-reliant Kingborough CBD.

Reliance on the Hobart CBD creates massive traffic congestion, removed economic stimulus from the municipality.

It ultimately takes our residents away from their families for longer than required every day.

Building the Kingston CBD into a robust economic centre for residents and businesses will resolve all of the above.

2. We need to keep as much of the zoned low-density residential areas as possible under the interim planning scheme.

High-density development ruins our amenities, and it puts enormous pressure on our public services and infrastructure, which are already inadequate for the current population levels.

3. Fixing potholes is important and should be a bare minimum expectation of the council.

4. Kingston CBD should mirror Hobart CBD with a motor vehicle-free zone in the civic spine.

It benefits the local economy to have a separated cycleway and green pedestrian walkways with trees, benches, free wifi etc.

We can direct the traffic around the civic spine.

We need to make people feel safe and stress-free, so they will stop for a coffee and wander leisurely from shop to shop.

5. We need to support and engage our police service to determine areas that the council and local police force can collaborate to improve the safety of residents across our municipality.

I am not an expert in law enforcement and need to consult with the police force and residents to form an informed opinion if we have sufficient police presence within the municipality.

# Dining, Takeaway and Deliveries

Lamb wraps are a warming favourite at Breadd on a cool winter's day. Slow cooked Tasmanian lamb served on freshly baked wraps, with house-made tzatziki and Breadd's combination of salad fillings, or why not choose your own. Eat in or take away from their Kingston store, next to Coles. (PS)

Warm sticky date pudding is perfect on a winter's day, dining at Eagles by the Bay in a beautiful setting overlooking the water at North West Bay Golf Club. (PS)

Warm up by the fire at Boho Kingston Beach with a friend and a delicious muffin. (PS)

Slow cooked Tasmanian lamb, our tzatziki, tomato, cucumber, cheese, red onion and lettuce on our pesto wrap - toasted!

# Riley Fenn's gold medal

**Local 14-year-old gymnast Riley Fenn recently returned from the Australian National Gymnastics Championships after winning gold on the pommel horse and finishing ninth overall in the Level 7 Open competition.**

Riley is the first MAG gymnast to bring home gold for Tasmania and his dream is to one day make the World Championship.

"Being my first Australian championship, this year's nationals was a huge success," Riley commented.

"Especially winning the first gold medal in men's artistic gymnastics (MAG) for Tasmania ever, feels exhilarating.

"I feel like all the years and effort I've put into the sport has finally paid off and shown as a result.

"The journey isn't over yet and I'm looking to make a big name for myself in the near future."

It was also the first time that multiple MAG gymnasts have bought home medals from the National Championships with Ethan Loring also earning a spot on the podium.

Riley hopes his journey will take him to the highest level in men's gymnastics, recognising that it will take an "extreme amount of hard work".

"In gymnastics, some of my goals are to represent my nation at the world championships and the Olympic games," stated Riley.

"I would have to raise my hours from 20 hours a week to around the 30 mark when I'm 18 and out of school."

Despite the challenges, Riley finds joy in training, as well as being surrounded by great people, including his friends and the coaches.

"Gymnastics is just as hard on your body as it can be your brain," explained Riley.

"What I find most challenging about gymnastics is the mental blocks.

"In men's gymnastics when you are at the senior level, the skills you perform begin to get a lot harder compared to a junior, which requires strength, flexibility, natural ability and above all confidence.

"Confidence is key to learning new skills to add into your routines that can result in higher scores in competitions which will lead to success in the future."

Having begun gymnastics in 2016 at age nine, Riley was already making an impression after a short time, placing equal first as State Champion at Level 3 and winning MAG gymnast of the year in 2017.

After reaching Level 5 in 2019, Riley again placed first at the State Championships.

Riley's mother Isabel was over the moon with her son's achievement and has positive hopes for his future.

"I am so proud of all Riley's achievements,"

remarked Isabel.

"What I hope for Riley's future is that he continues to do things that make him happy and have no regrets.

"I will continue to support him in any decisions he makes.

"I am forever grateful to the people who recognise Riley's ability and potential and want to support his sporting prowess.

"I'd like to say a special thank you to Lars Becker, Kodee Voss and Oliver Dalco for all your great coaching, guidance and support you've given Riley over the years."

Gymnastics has become a part of life for the family over the previous years, with Isabel and Riley needing to balance gymnastics with other commitments.

"The gym gives family routine along with my other children's sporting commitments," said Isabel.

"I have become a highly organised sole parent.

"Riley is very focused and he is very organised in his daily life.

"He coordinates school, part-time work and gymnastics." Riley is inspired to continue with the intense commitment due to his love of the sport.

"I love all aspects of the sport and work my butt off every session and have been enjoying it to this very day," Riley declared.

# Baker and Newbold all square in bowls

The Tuesday afternoon Fours Competition continued into Week 11 in the Donald Hazell Indoor Centre at the Kingborough Bowls and Community Club with highlighted games living up to expectations.

Second placed team on the competition ladder played third and after a tense battle over the 18 ends, teams Baker and Newbold had a drawn game.

In the other game of interest, team Hinkley with Janne Thompson, Miranda Wood, Sally Knott and skip Jeff Parsons proved too good for team Chaffey, winning by 15 shots and as a result, advanced to third on the ladder.

The competition leaders, team Cawthorn, were the biggest winners on the day, leading from the first end to eventually win by 30 shots and confirm their ladder leadership.

Other notable winners were Cygnet based team Schooling by 13 and team Mus, with guest skip Sally Bowes, winning by 11 shots.

The top six teams on the ladder at the end of Week 11 are Cawthorn still on top, Baker second, Hinkley replacing Newbold in third, Newbold slipping to fourth as a result of their drawn game, Mus in fifth and team (Pam) Rosevear, making a comeback with their win, now in sixth place.

Results on a rink-by-rink basis were Mus defeated Bridge 29-18, Rosevear defeated Morgan 20-17,

Hinkley defeated Chaffey 28-13, Monk defeated Harra's Harem 22-15, Schooling defeated Hemmings 21-8, Cawthorn defeated McIlroy 36-6, Kosi defeated Hickey 19-16 and teams Baker and Newbold drew 17-17.

The Wednesday night Fours Competition again saw some remarkably interesting games take place throughout the evening and, once again, the top three ladder board changed.

Allen Sculthorpe's team had an easy pick up of three points when their opposition on the night, The Scrubbers, forfeited the game leaving Allen's team to be spectators.

Two hard fought games resulted in draws. The Leftovers and Wille Wonkers drew 15 all and Pumpkin Patch and The Dynamics finished up 17 all.

In other games on the night The South African's this week had to work for their three points when they came up against The Royal Hobart Dodgers on the difficult rink eight.

The Dodgers held them to account most of the game with The South Africans, managing a five shot 23-18 win.

The Geeveston Woodcutters got the cut on the Claremont Monties, defeating them 21-8.

Titan Sylvia crushed the Cherry Pickers by a similar margin, 20-8.

The Mark Burgess Seagulls left their mark on Better Performance, outdoing them 24-12.

The highlight of the night was the cellar dweller derby between the Oaktree Raiders and The Sandy Bay Boomers, who both sat on the bottom of the competition ladder, both on six points and only separated by minus shots down.

Both teams had had extraordinary wins the previous week and both were keen to commence the climb from the bottom rung.

The Raiders jumped out of the blocks early and looked like they were going to run away with the game when they were 13-2 up halfway through.

The Boomers had other plans and fought back, but the Raiders held on to win by four shots, 19-15.

The Raiders with this win have climbed a couple of rungs on the ladder and are now in fourth last place as the result of play on the night.

The South Africans stay in first place on the ladder holding 30 points with an outstanding plus 144 shots up.

Allen Sculthorpe is still in second place on 28 points (plus 67 shots up) and Pumpkin Patch have moved into third place on 25 points with plus 81 shots up.

Riley Fenn is the first MAG gymnast to bring home gold for Tasmania at the Australian National Gymnastics Championships. See page 23 for story. (PS)

### ART EXHIBITION - WIN KNIGHT - CHANNEL MUSEUM

*From Our Walls to your Walls*

10am to 3pm Sundays to Fridays until July 30 • 1755 Channel Highway, Margate

**Winifred was a well-known Tasmanian artist and teacher of art.**

She was a life-long member of the Art Society of Tasmania.

There are large oils on canvas, smaller oil and gouache works on canvas and board.

All works are sensitively framed and reasonably priced.

Win's work centered around Tasmanian landscapes.

She was renowned for her drawing, use of colour and her composition.

Our family is motivated to hold this exhibition because these works should be on your walls, rather than remaining in storage.
