Santa Claus and his Snug Fire Brigade helpers magically appeared for a surprise lolly drop at Electrona, Snug and Coningham on the evening of Tuesday, December 14. Evie Adams enjoyed meeting Santa earlier than expected. This sweet story continues on page 5. (PS)

Double-edged home sale data

Two Kingborough suburbs have been listed among the top five best performing suburbs within Greater Hobart, for house sale and unit value categories, in the 12 months to September.

The news is grim, however, for locals in need of a home to rent or those seeking to purchase a first home.

Blackmans Bay recorded the highest change in median rental values of units across Greater Hobart, according to property analyst CoreLogic *Best of Best Australia 2021* in a report released on December 16.

The median rental value for a unit in Blackmans Bay was $451 per week, representing an annual change of 14.5 per cent.

Kingston units recorded a median rental value of $438 per week, representing an annual change of 13.9 per cent.

Kingston was also listed in the top five highest total value of unit sales for Greater Hobart, coming in fourth place with 54 units sold at a median sales value of $583,557 during the 12-month period.

Blackmans Bay and Kingston were also in the top five suburbs for the highest total value of house sales across Greater Hobart.

Kingston, with 122 houses sold during the 12-month period and a median sale value of $703,851, came in third place.

Blackmans Bay, with 89 houses sold, recorded a median sale value of $895,414, coming in fourth place.

Virus exposure sites

Franklin Primary School, Huon Valley Takeaway and the Huonville Cellarbrations Bottle Shop were listed as 'low risk' COVID-19 public exposure sites on Sunday, December 19.

A media statement was sent by the Director of Public Health, Dr Mark Veitch on Sunday evening, regarding the Franklin exposure site.

Seven COVID-19 cases were recorded as active in Tasmania at the time.

"People who were at an end-of-year event at Franklin Primary School will be notified that the event is being listed as a low-risk exposure site after Public Health Services determined that a confirmed COVID-19 case was in attendance," stated Dr Veitch.

"Anyone who was at the event, which was held on the school's oval between 11:30am and 2pm on Thursday, December 16, must monitor themselves for symptoms for 14 days.

"If they experience any symptoms, regardless of how mild they may be, they will need to get tested.

"There is no requirement for anyone who was in attendance to quarantine unless they experience symptoms."

If symptom develop, call the Public Health Hotline on 1800 671 738.

Exposure sites are listed at https://www.coronavirus.tas.gov.au/families-community/public-exposure-sites-in-tasmania

Anyone who was at the Huonville Cellarbrations Bottle Shop at Huon Village Shopping Centre, 79 Main Street, Huonville, between 2:22pm and 2:30pm on Thursday, December 16 must also monitor themselves for symptoms for 14 days and get tested if symptoms develop.

Similarly, anyone who was at the Huon Valley Takeaway at 3/56a Main Street, Huonville, between 2:30pm and 2:35pm on December 16.

"There are three different types of exposure sites; close contact, casual contact and low risk," noted Dr Veitch.

"Each classification requires people to take certain actions around testing and quarantining."

Masks back on as virus returns

Masks are required to be worn at indoor settings in Tasmania, after the coronavirus re-entered the community in recent days.

The mandate came less than five days after the State's border was reopened on December 15.

Seven COVID-19 cases were recorded as active in the State as of December 19.

In a media statement on Sunday, December 19, Premier of Tasmania, Peter Gutwein MP said Tasmanians would continue to "adjust" to living with COVID in the community.

The mask-wearing mandate applies at all indoor settings, other than a person's home, from Tuesday, December 21.

However, the requirement does not apply to children aged 12 years and under.

Around 90 per cent of Tasmanians 12-years and over have received at least two doses of an approved COVID-19 vaccine, while the rollout of vaccinations for children under 12-years is yet to commence.

Premier Gutwein said the wearing of masks would assist to limit the spread of the virus as we continue to see cases, and as we continue to adjust to living with COVID in our community.

"Masks will be mandatory for all indoor settings except in your place of residence, including on public transport or in taxis or ride sharing where you could come into contact with another person," said Premier Gutwein.

"I do want to stress once again, that this is not unexpected, we always knew that by reopening our borders, COVID would come, and it has."

Scarecrow country time in the Channel

Scarecrows live on in the fields of the southern Channel, despite the cancellation of the Middleton Country Fair due to the coronavirus.

Over the next few weeks footballs, wellington boots, old clothes, foam rubber, fencing wire, cricket bats, discarded furniture and a variety of other materials will be revived as creative residents make scarecrows for the community fun day, Middleton on the Green.

Middleton on the Green will held on Saturday, February 5 next year, instead of the Middleton Country Fair.

The first Saturday in February is the traditional date for the fair.

Expect to see dozens of scarecrows lining the Channel Highway, from Kettering to Verona Sands, in the lead-up to the fun day, generating a major attraction and talking point for residents and visitors alike.

Scarecrows will appear from January 26 to February 26, reinforcing the Channel's reputation as scarecrow country.

The scarecrow competition is organised by the South Channel Ratepayers and Residents Association and West Winds Community Centre in Woodbridge.

The Middleton Country Fair has proved to be a major fundraiser for community projects in the South Channel and organisers are confident that next year's free community fun day will prove a popular replacement.

The *Kingborough Chronicle* is reliably informed that some scarecrows from past years proved to be highly desirable, with a few disappearing overnight at the hands of scarecrow snatchers seeking a back garden display,

Next year the creators will be taking extra security measures to foil potential raiders.

The winning scarecrows will be judged by a public vote, either via email or in person, at the community fun day on February 5.

First place will receive $200, with $150 for second place and $50 for third.

Entrants need to register by January 21, at scarecrows2022@gmail.com or in person at West Winds Community Centre.

Garden Gnomes brought festive joy to friends of Dementia Friendly Tasmania, at an afternoon tea performance at The Timeless Way café in Kingston on Tuesday, December 7. (PS)

Weapons used in public place

Two youths were taken into Tasmania Police custody on the evening of Tuesday, December 14 after an incident at a Kingston shopping centre.

Two members of the public were injured during the incident and received treatment at the scene from Ambulance Tasmania for non-life-threatening injuries.

Tasmania Police reported receiving multiple '000' calls around 8:30pm from members of the public relating to a disturbance at the Kingston Plaza Shopping Complex.

Members of the public reported two youths, armed with a hammer and a machete acting aggressively towards patrons and had assaulted a member of the public.

Two youths were taken into custody for the matter around 9pm.

Tasmania Police thanked the members of the public who witnessed the incident and immediately rang '000', it resulted in the alleged offenders being quickly taken into custody.

Tasmania Police have requested any members of the public who observed the incident, or the offenders in the vicinity, to contact police on 131 444 or Crime Stoppers Tasmania on 1800 333 000.

Vehicle set fire

Tasmania Police has advised that a Toyota Hilux utility was deliberately set on fire in the driveway of a private residence in Snug on Wednesday, December 15, around 2:40am.

The Hilux and its contents were destroyed in the blaze.

A media release on December 17 stated three people had been charged in relation to two separate, deliberately lit fires in Snug and Cambridge.

Police said another, similar incident occurred in Cambridge on Thursday, December 18 around 2:30am, involving a break-in at a commercial business on Stanton Place, and setting fire to an Isuzu truck.

The truck was partially destroyed and severe smoke damage was caused to the building and contents.

Three people were taken into custody on Thursday, December 18, including a 27-year-old man from Campania, and a 26-year-old woman and 39-year-old man from Dodges Ferry.

The trio were charged with a range of offences including unlawfully setting fire to property, burglary and stealing.

Police believe the fires were targeted and have advised that investigations are continuing.

Anyone with information is asked to contact Bellerive CIB on 131 444 or Crime Stoppers anonymously on 1800 333 000 or online at crimestoppers.com.au

LETTERS TO THE EDITOR

Kingston CBD highway makeover

Dear Editor,

I think Kingborough Council deserves both brickbats and bouquets for their plan to modify a short segment of Channel Highway passing through Kingston.

The bouquets are mostly for effort.

They've prepared a rather good web site and they've also arranged several pop-up displays.

Their proposal is certainly consistent with many modern theories of town planning, but that leads immediately to the brickbats.

Are we sure that modern theories of town planning make sense?

I'm aware of the proverb 'fight fire with fire', but I'm not convinced that 'fight congestion with more congestion' is a valid extension of that proverb.

I have some sympathy for Kingborough Council and for all town planners.

They are responsible for way too much and have budgets way too small.

At a pop-up display, I learned of a plan for another bypass and another roundabout.

Oh, goodie, goodie gumdrops.

I have three suggestions.

1. We must free councils from many of their responsibilities.
2. We must ensure that they can access budgets big enough to do the chores we expect them to do.
3. We need to consider the third, vertical dimension.

Even for Kingston, ground level space is already fully occupied.

Unless someone finds a Tardis or magic lamp on Kingston Beach, then we must look up or down to find space not already occupied by something.

Border reopened, items of note

Continued from front page

Tasmania's border reopened last week with COVID-19 vaccinations for childcare workers mandated, the booster-shot waiting period shortened, additional testing clinics announced and a range of rules for Tasmanian travellers and visitors from interstate and overseas.

On the eve of the border reopening, Premier of Tasmania, Peter Gutwein said the State Government had "made sure everyone has had the opportunity to be vaccinated" and he had a "clear message" for the Tasmanian public.

"More than 90 per cent of Tasmanians over 16 and nearly 90 per cent of Tasmanians over 12 now fully vaccinated," said Premier Gutwein.

"We are ready."

However, the roll-out of COVID-19 vaccinations for children aged 5 to 11 years is yet to begin.

A last-minute, childcare-worker mandate on December 14 came a week after the State Government announced vaccinations of children aged 5 to 11 years would commence on January 10, 2022.

State Vaccination Commander Dale Webster stated on December 14 that although children have lower risk of serious illness from COVID-19, they have high rates of viral infection and transmission.

"We know children and young people experience some of the highest rates of infection and are one of the biggest social spreaders of the virus in households," said Mr Webster.

"By getting vaccinated children will be less likely to pass the virus on to other more vulnerable members of your household."

The State Opposition welcomed the mandate for childcare workers however criticised the delay.

Shadow Minister for Education and Early Years Josh Willie MLC said on December 14 the mandate should have been introduced much sooner.

"With children under five unable to be vaccinated, it defies belief that it has taken until today, the day before the borders reopen, to mandate vaccines for childcare workers," Mr Willie said.

Vaccination booster shot wait time shortened

Booster shots are now available for people five months after their second dose of the COVID-19 vaccine.

Tasmanian Vaccination Emergency Operations Centre, Commander Dale Webster said the wait time had been shortened from six months in response to the increased transmissibility of the Omicron variant.

"Following advice from the Australian Technical Advisory Group on Immunisation, appointments can now be made for booster shots for people five months after their second dose of the vaccine," said Mr Webster.

"Boosters are available in State clinics and at participating GP and pharmacy clinics.

"Bookings are essential at vaccination clinics as we transition away from walk-ins from Wednesday, December 15 to ensure COVID-19 safe management of crowds and waiting areas.

"If you have a State clinic booking matched to six months you are invited to make an earlier booking but please remember to cancel your existing booking, this can be done online."

Children's vaccinations

State Vaccination Commander Dale Webster stated on December 14 that parents could now book 5 to 11-year-old children in for COVID-19 vaccinations at special children's clinics "to protect their children, their families and the wider community", although the vaccinations of children are not mandatory.

"Last week a smaller paediatric dose of the Pfizer vaccine was approved as safe and effective for children aged 5 to 11 by the Therapeutic Goods Administration (TGA) and the Australian Technical Advisory Group on Immunisation (ATAGI).

"Children will get two doses, eight weeks apart, but they will only be available in special children's clinics and GPs.

"Appointments are available from 10 January 2022, with the aim of giving every primary school aged child the opportunity to get at least one dose of the COVID-19 vaccine before they return to school in February.

"The choice to vaccinate children in this cohort, while strongly recommended, is entirely voluntary and will not be mandated."

For further details, including how to book, visit https://www.coronavirus.tas.gov.au/vaccination-information/covid-19-vaccination/who-can-get-a-vaccine/covid-19-vaccines-for-children-aged-5-to-11

Testing clinics extended

Operating hours for the Hobart Macquarie Point drive-through COVID-19 testing clinic have been extended to 8:30am to 6pm seven days a week, bookings are required, see https://covidtestbooking.health.tas.gov.au/

An additional testing clinic is also operating at the Hobart Showgrounds.

Traveller requirements

All travellers over 12 years of age must be fully vaccinated to come to Tasmania and must carry proof of vaccination and obtain a traveller registration Tas-E-Travel pass for scanning on arrival in Tasmania.

Travellers coming from areas declared by the Tasmanian Government to be a 'high-risk', due to COVID-19 cases in the area, must produce a negative COVID test before coming to Tasmania.

"All travellers entering Tasmania will be required to complete a Tas-E-Travel pass, which is now available on the Tas-E-Travel website," said Premier Gutwein.

"All travellers will be required to carry proof of vaccination and/or their negative COVID test result with them, whether that's a digital vaccination certificate and COVID-19 negative test result SMS message, or hard copy evidence.

"Anyone caught flouting our rules faces an on-the-spot fine of $1557 and could be summonsed and charged with an offence resulting in up to six months jail or a $17,000 fine.

Traveller registration Tas-E-Travel passes can be obtained up to seven days before intended travel and are available at https://register.tasetravel.tas.gov.au/

For further details, including updated COVID-19 rules, go to www.coronavirus.tas.gov.au or contact the Tasmanian Public Health Hotline on 1800 671 738.

Blackmans Bay Primary students held a uniform-free fundraising day on December 2 to brighten Christmas for women and children at Jireh House women's refuge. Parent Donelle Stevenson said this year's response from the school community, its sixth annual drive, was overwhelming and enabled the purchase of Christmas trees for each unit at the shelter and Christmas-themed items for each family. Chloe and Angus Stevenson helped sort some of the many donated gifts. (PS)

A new warning system

The Australian Calls to Action system is a new national approach to information and calls to action for hazards like bushfire, flood, storm, cyclone, extreme heat and severe weather.

Until now there has been different warning systems for different hazard types across Australia.

The new Australian warning system aims to provide consistent warnings to Australian communities so that people know what to do when they see a warning level.

If you live in a bushfire risk area, you may already be familiar with the new warnings as they were implemented across bushfire agencies in the lead up to the 20/21 fire season.

A warning provides point-in-time information about a hazard that is impacting or is expected to impact communities.

It describes the impact and expected consequences for communities and includes advice on what people should do.

There are three warning levels using coloured triangles in yellow, orange and red, each with actions on what to do.

Calls to Action can be used flexibly across all three warning levels depending on the hazard, whether it be bushfire, flood, storm, cyclone, extreme heat or severe weather.

Advice – Yellow triangle

An incident has started, there is no immediate danger.

- Prepare now
- Stay informed
- Monitor conditions
- Stay informed/threat is reduced
- Avoid the area

Watch and Act - Orange triangle

There is a heightened level of threat, conditions are changing and start taking action now to protect your life.

- Prepare to leave/evacuate
- Leave/evacuate now (if you are not prepared)
- Prepare to take shelter
- Move/stay indoors
- Stay near shelter
- Walk two or more streets back
- Monitor conditions as they are changing
- Be aware of ember attacks
- Move to higher ground (away from creeks/rivers/coast)
- Limit time outside (cyclone, heat asthma)
- Avoid the area
- Stay away from damaged buildings and other hazards
- Prepare for isolation
- Protect yourself against the impacts of extreme heat

Emergency Warning - Red triangle

The highest level of warning, meaning you may be in danger and need to take action immediately.

Any delay now puts your life at risk.

- Leave/evacuate (immediately, by am/pm/hazard timing)
- Seek/take shelter now
- Shelter indoors now
- Too late/dangerous to leave

Learning centre plan

A master plan for the new Kingborough Child and Family Learning Centre (CFLC) has been released for public comment.

Construction is expected to commence next year, with completion anticipated in 2023.

The Kingborough Child and Family Learning Centre is to be co-located on the Kingston Primary School site, providing services for children and families.

According to the Tasmanian Department of Education, the new learning centre will offer advice on health and family matters, education and training.

For families and young children, the learning centre proposes to offer a friendly and caring environment that supports health and wellbeing services for children from birth to age 5.

Member for Franklin, Nic Street MP said local architectural firms Morrison Breytenbach Architects and Luttrell Pyefinch developed the master plan for the new CFLC in close consultation with the Department of Education and the Local Enabling Group.

"Development of the new CFLC has been informed by extensive consultation, including representation from parents, carers and service providers who have overseen the designs to ensure they are shaped by those who will use them," said Mr Street.

The master plan can be view at https://www.education.tas.gov.au/project/kingborough-child-and-family-learning-centre/

Santa visits Snug early

Santa Claus and his helpers made an unscheduled, early visit to the children of Snug last week.

Due to Tasmanian Fire Service restrictions and operational guidelines, Snug Fire Brigade's annual Santa run and lolly drop was magically rescheduled from December 18 to 14.

In a Facebook post last Tuesday the Snug Fire Brigade initially announced changes to the jolly event.

"Due to the borders opening, there are new internal restrictions in place to protect fire service personnel and the community which we must adhere to," stated Snug Fire Brigade's initial post.

A few hours later, a surprise second post was made announcing the Christmas party on wheels was, instead, visiting Snug that very same Tuesday, December 14 from 7pm.

Members of the Snug Fire Brigade had been devastated that their community would be let down by cancellation of the much-loved event, making Santa's prompt rescheduling an imperative.

Santa, his helpers and the Snug Fire Brigade fire truck visited Electrona, Snug and Coningham with their sirens turned on, meeting families at the top of their driveways and gifting children lollies.

Santa and the Snug Fire Brigade visited Electrona, Snug and Coningham for the Santa lolly drop on Tuesday, December 14. Baden and Shelby Leonard waited patiently for Santa's arrival. (PS)

Makayla had the opportunity to officially greet Mr Claus in the Snug Fire Brigade fire truck on December 14. (PS)

Santa and his helpers were given a warm welcome by local students from Snug Primary School. (PS)

Only rain in our drains

Street stencil art is sending an important environmental message this summer, as Kingborough's primary school students use their imaginations and creativity to help keep pollutants out of stormwater drains, our natural waterways and ocean.

The artwork contains the simple message, "only rain in our drains".

Kingborough Mayor Paula Wriedt said the artwork would be positioned near drains on local footpaths.

Schools involved to date include Kingston, Margate and Illawarra Primary Schools.

"Stormwater is the water that runs off pavements, roads, rooves, gardens, parks, car parks and construction sites when it rains," Mayor Wriedt said.

"It is important that everyone understands that whatever gets washed down Kingborough's stormwater drains ends up in our waterways and beaches.

"As people move about Kingborough, these creative street stencils will remind everyone that stormwater is connected to our waterways."

Kingborough Council's Natural Areas Interpretation Officer, Bridget Jupe said the stencil designs were inspired by participants in Council's school holiday program.

"We have worked these ideas into a series of street stencils and will be placing them in prime locations with the help of a number of schools in Kingborough," Ms Jupe said.

"The stencils will be promoting the message 'only rain in our drains'.

"We hope to roll this project out to other municipalities located on the Derwent Estuary and build on stormwater education in all our communities."

Swimming is not advised at any beach in the Derwent estuary for two days after heavy rain, as beaches are likely to be impacted by stormwater.

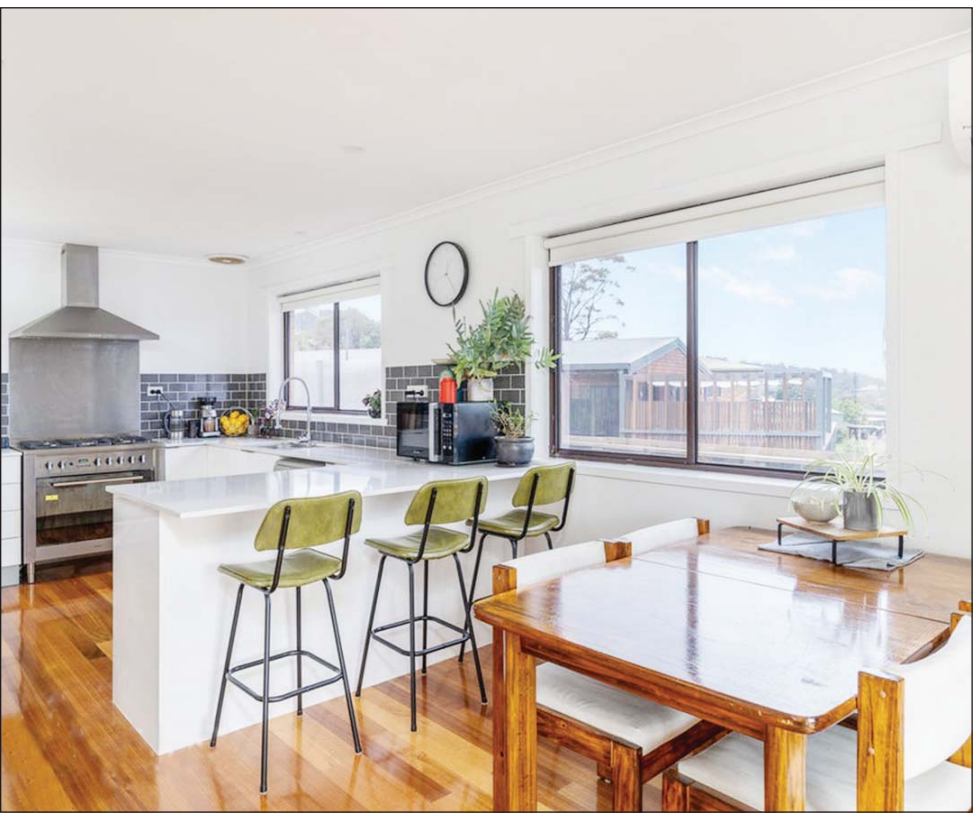
Kingborough Council said their environmental health officers shall conduct weekly water sampling at local swimming beaches during summer.

Sampling results are to be posted to the Derwent Estuary's Beach Watch program.

Stencil art with the message "only rain in our drains" will pave local footpaths this summer. (PS)

Kingborough Real Estate Guide

A spacious, light-filled family home



Positioned on a large corner block and capturing all day sun, this home offers space both inside and out.

This delightful, modern, renovated home is suitable for families and couples alike.

Complete with a fresh colour palette, light filled spaces and peaceful outlook.

This is a home that will certainly tick a lot of the boxes.

The entryway, with high ceilings and large windows, is a wonderful introduction to the home.

Upstairs the lounge is spacious and flows seamlessly through to a stylish kitchen, with breakfast bar and access onto a deck.

There are three bedrooms plus a study.

The master bedroom is complete with a refurbished ensuite.

There is also a family bathroom, with tub to soak in.

Downstairs is a haven for those requiring an additional living space or fourth bedroom and is complete with a large bathroom.

This downstairs room could be anything you need it to be.

A modern laundry, storage and brilliant workshop add to the convenience of this home.

A fully fenced, near-level yard creates an ideal area for children and pets to play.

The off-street parking areas are generous, with garage and room for more vehicles, a boat and trailer.

Definitely worthy of inspection for those seeking a spacious, flexible and modern home in a desirable location, within minutes' drive of Hobart.

Set to impress

Holding a prime position on the high side of the street, with stunning water views, this gorgeous weatherboard home is set to impress.

The open plan living, kitchen and dining area enjoys expansive water views and all-day sun.

This home is an entertainer's dream.

The original Tasmanian Oak flooring and large floor-to-ceiling windows create a light, character-filled, contemporary space that offers peace and privacy.

A wood fire and ducted underfloor heating add to the charm and warmth.

A large wrap-around deck seamlessly extends the living area and provides an excellent place to relax and soak up the sun.

The rear, paved courtyard boasts a spa bath.

The three bedrooms all have built-in robes, with the two front rooms enjoying leafy, river views.

The central family bathroom is modern and bright with a neutral palette and includes separate toilet.

The laundry, also modernised, has external access to the garden and washing line.

The garden is an ideal space for children and pets.

There's a studio, complete with a deck, that would make a delightful office, artist retreat or cubbyhouse.

Taroona's popularity continues to grow, with its coveted schools and numerous sporting and recreational facilities including tennis, bowls and football clubs, all of which are within walking distance or a quick drive.

Taroona High School and Taroona Primary School are a mere minutes' walk.

Lightwood Park's future is set

The concrete was poured at Clennett's Lightwood Park development on Tuesday, December 14.

It is hoped the venue will be considered as a base for one of the elite teams participating in the FIFA Women's World Cup 2023, to be held in Australia and New Zealand between July 20 and August 20, 2023.

The facility is set to become a premier venue for soccer in Tasmania

The *Kingborough Chronicle* caught up with of Kingborough Lions United Football Club president Brian Downes and club secretary Cathy James on Sunday, December 5, during the Kingborough Football Tasmania Skill Acquisition Phase (SAP) festival at Twin Ovals.

Brian Downes outlined plans for the future of the club and the Clennett's Lightwood Park site.

Mr Downes said the proposed development includes an extension of the main pitch, to meet FIFA international standards, and a new building on the northern side of the grounds.

The northern building will be in three stages.

The first stage involves the development of the downstairs section, at the western end, to be immediately followed by the second stage, including the completion of the downstairs section.

The third section, including an upstairs viewing area, will be completed later.

Taroona bowlers launch carpark petition

A petition has been launched to upgrade the visitor carpark at Taroona Bowls and Community Club.

The petition calls on Kingborough Council to upgrade the parking area, located between the adjacent bowls and tennis clubs.

Upgrades requested include a sealed surface, painted lines and improved disability access.

Lead petitioner and social member Kaspar Deane told the *Kingborough Chronicle* on December 9 that an upgrade is long overdue.

"Members and visitors have raised concerns about the state of the visitor parking area for years," said Kaspar Deane.

"An upgrade would benefit a range of visitors to the area, including Taroona's ex-servicemen and women, visitors to Apex Park, the Neighbourhood Garden and the skate park.

"The petition points to the poor condition of the parking area and highlights the potholes, lack of proper drainage and disability parking as the key issues," noted Mr Deane.

"Ensuring safe access, particularly for our older members and visitors, is what this petition is about."

The petition will be available for signatures at the clubhouse bar of Taroona Bowls and Community Club until the end of the bowls season in March 2022, prior to being submitted to Kingborough Council.

Joey Scout awarded

Joey Scout Will Colquhoun was awarded a Joeys Challenge badge, the highest award in the Joeys section, at North West Bay Sea Scout Group's Christmas barbeque held at Snug Beach on Sunday, December 5.

Will completed six special interest projects, achieved competencies in the areas of bushcraft, bushwalking, camping, vertical, cycling and aquatics.

The 7-year-old Joey Scout also led a cycling trip of other Joey Scouts to receive the award.

One hundred pickle-ballers, and growing

Kingborough Pickleball Club has reached a milestone, with its one-hundredth member signed up.

Club President Mark Florusse said the achievement was a "remarkable" result after "only five months since a group of keen volunteers established the club".

Members can play up to four times a week at Kingborough Sports Centre and it's an easy indoor tennis style of game for all ages and abilities.

Club captain Ann Hines has been involved in Pickleball ever since she took it up in 2020.

According to Ann, the sport is growing around the globe and the trend is set to continue.

"It's a great way to keep fit and a very sociable sport.

"People enjoy learning new ball skills and making friends.

"Pickleball is said to be the fastest growing sport in the world," noted Ann.

Ms Hines said the club has an introductory offer, to have a go.

"All you need is $10 and a pair of running shoes," said Ann.

For further information, contact Ann on 0405 132 099.

THE KINGBOROUGH COOK

Coronation Turkey

Kingston chef, Kirsten Bacon, has kindly compiled some helpful, tasty recipes for anyone who ends Christmas Day wondering what to do with all the food.

"I have a couple of wicked recipes that work well with leftovers," notes Kirsten.

"Great for Boxing Day is Coronation Turkey traditionally known as Coronation Chicken and the story behind that is a good read here https://www.cordonbleu.edu/london/coronation-chicken/en

"So, for my recipe, you can use chicken or turkey.

"Both work really well and it's fabulous in this weather.

"The beauty about this is really you don't need to have the exact amount of ingredients and you can be a little experimental.

"By that I mean don't go too outside the recipe but if you don't have apricot chutney, then use another one.

"If you don't have apricots, perhaps use mango."

INGREDIENTS

- 500g to 1kg of cooked turkey or chicken shredded
- 1 bunch of spring onions, sliced
- 150g apricot chutney
- 100g crème fraiche or Greek natural yoghurt
- 200g whole egg mayonnaise (the soy one works a treat too)
- 1/2 cup chopped dried apricots
- 3 Tbsp sliced, toasted almonds
- 1/2 tsp Keens Curry powder, or to taste
- 2 Tbsp chopped fresh coriander
- Salt and pepper to taste

METHOD

1. Mix chutney, mayonnaise, crème fraiche (or yoghurt), spring onions and curry powder together.
2. Gently fold in chicken, apricots, almonds and coriander, reserving a little of the coriander and almonds.
3. Add salt and pepper to taste. Let sit for 30 minutes to let flavours develop. Place in in serving dish and garnish with remaining coriander and almonds.

THE KINGBOROUGH COOK

Roast vegetable frittata

Chef Kirsten Bacon recommends this recipe for handling any combination of roast or boiled vegetables leftover after Christmas.

"A great way to use cream that you may have leftover as well," suggests Kirsten.

"Can be served hot or cold although don't serve it straight out of the fridge.

"Cold fridge food does not allow the beautiful flavour to shine through.

"Serve with a fresh green salad and awesome tomato chutney.

"Absolutely spot on and delicious."

INGREDIENTS

- 1kg of mixed veg (roasted or boiled)
- 1 Tbsp sage, chopped
- 8 eggs
- 1/3 cup cream or milk
- 2 Tbsp fresh basil or another herb, chopped
- 1/4 tsp salt
- 1/4 tsp black ground pepper

METHOD

1. Preheat oven to 180 degrees Celsius. Lightly grease a 20cm x 22cm baking dish.
2. In a bowl, whisk eggs and cream with salt and pepper.
3. Arrange vegetables in dish and sprinkle with herbs. Pour egg mixture over.
4. Bake for 25 minutes. Cover with foil and bake a further 10-15 minutes, until set. Cut into wedges.

DEPARTMENT of STATE GROWTH

Kingborough Park and Ride Facilities

We are building two park and ride facilities for the Kingborough region.

One will be built in **Huntingfield** near the Algona Road roundabout, and the other will be built on **Browns Road** in Firthside.

The park and ride facilities have been designed to be safe and inviting spaces, with better commuter parking and passenger transport services.

This supports the suite of projects within the Hobart City Deal.

Traffic changes

We will be working between **6am and 6pm** from **Monday to Saturday**, starting with the Firthside facility on **Monday 16 August**. Work on the Huntingfield facility will begin on **Monday 22 November**.

There will be lane closures and a reduced speed limit. Road users of Browns Road and Huntingfield Avenue should allow up to eight minutes extra travel time. Please keep to speed limits and follow the directions of traffic controllers and signs. No traffic impacts are anticipated to the Channel Highway, Algona Road Roundabout and Southern Outlet.

Parking changes

During construction there will be changed parking conditions.

Please allow extra time to park and follow the directions of traffic controllers and signs.

Bus changes

There may be some temporary disruptions to bus timetables and stops. Please follow your service provider's alerts and look for any local signage.

For more information about this project, visit transport.tas.gov.au

Kingston Bypass Duplication and Algona Road Roundabout Upgrade

Have your say on the Kingston Bypass Duplication and Algona Road Roundabout Upgrade

The Department of State Growth is investigating safety and congestion improvements for a 3.5km section of the Kingston Bypass which includes the Algona Road Roundabout intersection with the Channel Highway through to the Groningen Road overpass and the intersections with Summerleas Road and the Huon Highway.

You are invited to have your say on issues important to you such as safety, public transport, walking, cycling, travel times and the environment.

Public consultation is open from Wednesday, 1 December until Tuesday, 21 December. Find out more at our website at www.transport.tas.gov.au/kingston-bypass-algona-roundabout

Please follow your service provider's alerts and look for any local signage.

Grand final bowling qualifiers

Presenting our final Kingborough bowls weekly roundup for 2021, with thanks to Pat Lee.

Open gender pennant competition

The Kingborough Bowls and Community Club's Premier Division team had a field day in the Bowls Tasmania South open gender pennant competition when they hosted the team from Beltana Bowls Club on Saturday, December 11.

Kingborough's juggernaut team politely crushed the visitors by a massive 100-shots-to-55 overall in the Donald Hazell Indoor Centre at Margate, winning on all four rinks played.

Meanwhile, Jason Fowler with Tony Rowe, Graeme Walker and Nathan Dinning had a big day out, winning 28-7.

Ryan Guy's rink of Jeff Parsons, Jack Butler and Brent Forsyth got up 27-14.

Jarod Long with Jason Commane, Darren Reeve and Craig Griggs won 16-19 and Will Coad with Callum Dinning, Shane Garth and Robert O'Neill won 19-15.

Division 1 made the long road trip to Oatlands Bowls Club for their game.

On the tough synthetic green Kingborough overran their guests, winning on three of the rinks played and drawing on the fourth, for an overall 88-shots-to-57 win.

Tony Clark and his rink of Conrad Westhead, Daniel Holland and Michael Steele handled the conditions well, winning 28-8.

Michael Andersch with Laura Best, Ian Harris and Gavin Cleary achieved a comfortable 21-12 win.

Mark Crawford with Ken Du Bois, Lynn Barlow and Tony Verrier got up by two shots, 19-17 and Maddie Johnston with Vince Grimes, Jim La Duke and Iain Dinning drew 20-20.

Division 3 travelled away also, to Glenorchy City Bowls Club at Berriedale.

In a close encounter they came away with a three-shot overall win, defeating their hosts 82-79.

Kingborough won on two rinks, drew on one and lost one in the encounter.

The two winning rinks, Anthony Sculthorpe with John Iles, Vicki Bannister and Bruce Moran and Allen Sculthorpe with Mark Drake, Brock Bricknell and Paul Clements both won 22-18.

Greg Riley with Sue Mann, Geoff Price and Terry Thompson drew 17-17.

The fast-running grass green at Margate suited the Cremorne team, coming off their fast synthetic green when they travelled to Kingborough Bowls Club to play the Division 4 game.

Cremorne took control of the game early and never looked like losing overall throughout the game.

Cremorne won three of the four rinks played for an overall 97-64 win.

Pat Lee's rink of Frances Phillips, Lee Shead and Stuart Traill started slowly and were 0-5 down before they got going and ended up winning 18-15.

Division 5 hosted North Hobart at Margate and got up for a good 74-45 win over the visitors.

Kingborough won on two of three rinks played.

The outstanding rink win in this game was Peter Kirby's rink of Gordon Hynes, Jim Beadle and Bill Reeve who won 38-9.

Lee Connors with Fiona Hickey, Tony Chaffey and Lindsay Pearce won 19-16.

Another long road trip saw Division 7 travel away to the Ouse Bowls Club where they found the home team too strong for them overall, with Ouse winning 48-shots-to-35.

Kingborough won on one of two rinks played.

Michael Cawthorn with Roger Bastone, John Shipley and Ian Cockshutt won on their rink, 23-16.

The Kingborough Bowls Club has been hosting many of the Bowls Tasmania South Bowls Championships over the past few weeks.

Pairs championship matches

Sunday, December 12 saw the second round of the open pairs championship matches and the B-grade pairs championship matches.

Kingborough's team of Jason Fowler and Jarod Long qualified for the grand final match in the open competition and Fred Shead and Bruce Moran also from Kingborough qualified to play in the B-grade grand-final.

Wednesday mid-week competition

In Wednesday's mid-week competition, Kingborough's Division 1 had a convincing overall 68-46 win over the visiting Howrah team in their game played at Margate.

The local team won on all three rinks played.

Mark Crawford and his rink of Terry Thompson, Mike Westlake and Michael Andersch ran over the top of their opponents 28-12.

Jeff Parsons with Conrad Westhead, Gavin Fenton and Ian Harris won 20-17 and Shane Garth with Peter Kirby, Geoff Price and Darren Reeve also a 20-17 win.

Division 3 travelled away to play at North Hobart Bowls Club.

Early in the game it looked like North Hobart was going to runaway big winners overall, but Kingborough fought back and managed a one-shot win, which came down to the last end played, 61-60.

Kingborough got up on two of the three rinks played.

Pat Lee with the Bruny Island rink of Geoff Eddington, Penaia Lese, and John Kobylec got up 21-14 and Fred Shead with John Iles, Robert Stanton and Bruce Moran won 23-17.

Unfortunately, Division 4 did not come away with a winning result when they hosted their game against the visiting Brighton Bowls Club team at Margate.

Brighton won on two of the three rinks played for an overall 67-41 win.

Kingborough's winning rink of Lee Connors with Phillip Hayes, Tony Chaffey and Graeme Young managed to get over the line by one shot, 21-20.

Women's Thursday competition

In the Women's Thursday competition, Kingborough's Division 1 team had the long road trip to the Orford Bowls Club where they found the east coast team too strong for them.

Orford won on two of the three rinks played and defeated Kingborough overall, 62-50.

Vicki Bannister's rink of Pauline Connell, Greta Murray and Sue Man managed a 22-20 win.

In a close game on grass at Margate, Division 2 hosted the team from Brighton Bowls Club.

Although Kingborough won two of the three rinks played, overall Brighton defeated them 66-59.

Lorraine Walker and her rink of Theresa Direen, Ida Jones and Glenus Johnson won 27-18 and Pam Rosevear with Glenna Thompson, Regina Hayes and Frances Phillips won 20-18.

Division 4 travelled away to Sorell Bowls Club where they too did not come away with the result they had hoped.

Sorell defeated them overall 68-shots-to-51, with Kingborough only winning on one of the three rinks played.

Maureen Sculthorpe with Fiona Hickey, Kay Ashlin and Deb Smith got up 21-15.
