ISSUE No. 636

5/32 Channel Highway, Kingston. 7050 • Ph: 6229 3655 • Email [editorial@kchronicle.com.au](mailto:editorial@kchronicle.com.au)

TUESDAY, 28 JUNE, 2022

Students at Taroona Primary School were given a taste of democracy when Federal Independent Member for Clark, Andrew Wilkie MP visited recently. Mr Wilkie spoke with Year 5 and 6 students, as well as representatives from the school's Student Parliament in Year 3 and 4, on the topics of democracy, having a community voice, and decision making at a federal level. The visit was part of the students' study of democracy and followed a recent visit to Parliament House in Hobart. (PS)

## Laws without evidence

Independent Member for Nelson, Meg Webb MLC has confirmed no evidence was presented in Parliament to justify new laws that, if passed, "will come at the expense" of citizens' "fundamental right to protest".

Kingborough residents participating in peaceful protests on any issue in Tasmania could be jailed for months if the State Government's proposed anti-protest Bill becomes law in August.

The Legislative Council debated various sections of the *Police Offences Amendment (Workplace Protection) Bill 2022* last week, with a second reading and vote taken on Thursday, June 23.

Meg Webb MLC was among several independent members of the Upper House to oppose the legislation.

"The Bill was a disgrace", tweeted Ms Webb on June 24.

Labor members had backed the Liberal's controversial Bill previously, voting it through the House of Assembly.

Newly elected Member for Huon, Dean Harriss also backed the Bill, voting with the Government.

"It's a dark day for democracy in Tasmania," tweeted the Human Rights Law Centre.

"The right to protest is a cornerstone of a robust civil society.

"This law dramatically erodes that right."

### No evidence presented in Parliament

"While many accusations were made by Government and industry representatives in relation to protest activity, no evidence was actually presented to demonstrate the accuracy of those claims, the size of the issue or the ways in which current laws are inadequate to deal with it," said Meg Webb MLC in correspondence with the *Kingborough Chronicle*, on Sunday, June 26.

"They were also unable to provide any evidence that measures in the Bill would act as an effective deterrence to the protest activities they make accusations about.

"As responsible legislators, we should only be making laws supported by a credible evidence base, that are well targeted to solve clearly identified issues.

"We have a history in this state of certain industries being given special influence with Government and having laws made to suit their corporate interests.

"This Bill could be yet another example of that pattern, and it will come at the expense of our citizens' fundamental right to protest," noted Ms Webb.

Continued on Page 3

## COVID rising

Coronavirus cases and hospitalisations were on the rise again last week, only days after the Tasmanian Government announced a gradual easing of the remaining public health measures that were in place to reduce transmission.

COVID reinfections are also expected to increase in the coming weeks and months, due to Omicron variants, according to Chief Medical Officer, of Australia Paul Kelly.

### COVID in Kingborough

In Kingborough, around a third of residents have now contracted COVID-19, with 12,442 known cases recorded out of a total population of 38,628, according to the latest Weekly Surveillance Report, dated June 18.

There were 362 cases recorded in Kingborough for the week ending June 18, compared with 318 known cases in the municipality during the previous week.

### COVID cases rising

In a media release on June 22, Premier and Minister for Health, Jeremy Rockliff MP stated the total number of active cases in Tasmania "currently stands at 5027".

"Tasmania has recorded 1157 new cases overnight," Premier Rockliff noted. "There are currently 45 people in hospital with COVID and of these, 12 are being treated specifically for COVID.

"There are currently three people being cared for in the ICU.

"Sadly, I can confirm a man in his 50s has passed away in the State's south."

The uptick came as Australia's total death toll due to COVID-19 reached 9599 on Friday, June 26, from a total of around eight million coronavirus cases nationwide since the first case was reported.

### Health restrictions eased

Tasmania's Premier announced on June 15 that from June 25, people would not be required to wear facemasks on public transport or in schools or early childhood education and care centres.

The Premier also said the State would "transition out of the Public Health Emergency Declaration" from June 30, "meaning the requirement to wear face masks in all other settings such as hospitals, aged care facilities, disability providers and correctional facilities will not be mandatory, but will be based on a risk assessment for each setting".

Leading up to the Premier's June 15 announcement, Tasmania reported daily new case numbers of 529 on June 5, 642 on June 9, 658 on June 14 and 817 new cases on June 15.

There has been little information on long-COVID sufferers and the number of coronavirus cases in residential aged care in southern Tasmania.

### Questions

The *Kingborough Chronicle* wrote to the Premier on June 22.

"Given the rising case numbers and hospitalisations, will the Premier and Minister for Health consider re-instating COVID-19 restrictions to protect: Tasmanian citizens; Tasmanian government employees; and the state's Health system?"

The Premier's response made no commitment to consider reinstatement of face mask protection measures:

"As part of our ongoing transition to live with COVID-19 and in line with public health advice, Tasmania will gradually step down a number of our last remaining restrictions in the coming weeks," replied the Premier.

"These are sensible steps forward as we continue to transition to living with COVID-19 and make personal choices regarding COVID protections, and adapt to a more normal way of living.

"Positive COVID-19 cases will still be required to quarantine for a minimum of seven days, and close contacts of positive cases will still be required to wear face masks in indoor settings when outside the home.

"It is expected that we will see fluctuations of daily cases over the coming months.

"It remains our collective responsibility to look out for one another by continuing to follow COVID-safe behaviours."

# LETTERS TO THE EDITOR

## Increasing costs for junior sport

Dear Editor,  
Next year clubs are going to be charged by Kingborough Council an hourly fee to use sports grounds.  
This hourly fee will be the same whether it's seniors or juniors using the ground.  
Charging clubs a nominal fee to use council grounds might seem sensible, however, charging juniors the same hourly fee doesn't.  
These fees will have to be passed onto parents through higher registration fees.  
Instead, could simply offer junior clubs a reduced rate for hire.  
Yet, in questions put to Council on June 20, Council confirmed it would not consider offering a concession to clubs for junior hire.  
Such a concession could be easily administered and would go some way to reassuring parents and not put junior participation rates at risk.  
With the cost of nearly everything going up, now is definitely the wrong time to be increasing the cost of junior sport.  
I sincerely hope Council reconsiders and makes this common-sense change to its policy.

**Kaspar Deane  
Taroon**

## Congratulations

Dear Editor,  
Thank you, *Kingborough Chronicle*, for consistently demonstrating dedication to the principles of fair and honest newspaper reporting.  
Your wide coverage of local activities and events, your coverage of local Kingborough residents be they celebri- ties or good honest every day folk.  
Your coverage of charitable fund-raising events, school and sporting club results and functions, and the particularly poignant Page from the Past which always sparks a memory or two.  
Every week you offer us readers comprehensive and unbiased reports about local, State and Federal Government policies, programs, regulations and potential changes to regulations into the future, giving us oppor- tunities to have our say if we choose to play a role in their final make up and implementation.  
Recent examples include:  
• The Integrity Commission Tasmania inviting us to have a say into reforming oversight of lobbying in Tasmania;  
• The Greater Hobart Committee inviting us to have a say in the 30-year Greater Hobart Plan; and  
• A timely reminder to make sure we are aware the charity we may wish to donate to is kosher by looking at the ACNC website, all in the Chronicle 31 May 2022.  
You consistently provide us with a fair, open and

unbiased forum for all readers to give their views on subjects dear to their hearts and minds.  
We should all be glad we are fortunate to be offered such a fine publication free of charge, and freely delivered where possible too.  
The one and only 'fault' I find is as a regular cryptic crossword solver I cannot ever solve the ones printed in the Chronicle, but I can live with that!  
Cheers and thanks *Kingborough Chronicle*.

**Philip Sumner  
Blackmans Bay**

## Council's price hikes

Dear Editor,  
If you have read the minutes of the Kingborough Council meeting held on June 14, you will be aware Councillors took less than an hour to impose further costs on ratepayers.  
Less than an hour, including preliminaries and closing rituals.  
Is this responsible government?  
These increased costs take the form of additional charges to collect each one of your bins.  
A massive increase.  
Seven Councillors voted in favour, one against, two absent.  
At election time this year use your vote wisely.

**Barry Campbell  
Blackmans Bay**

# Road safety response overdue

## A footpath along the Channel Highway in Kettering is a matter for the Kingborough Council according to the State Government.

Member for Franklin, Dean Winter MP said for over a year the State Government has had a petition for a footpath along the Channel Highway in Kettering, signed by hundreds of locals.  
A response to the petition was due on September 1 last year, however it was only tabled last Wednesday, June 22, after Mr Winter raised the issue in the *Huon News*.  
Another petition for a footpath in Dover in the Huon Valley was also overdue for a response.  
"This is arrogant behaviour from the Liberals and shows their disrespect not just for the people who signed these petitions, but for the whole parliamentary process," Mr Winter said.  
"A delay of nine months in responding to hundreds of

local residents is totally unacceptable.  
"They did nothing to respond to these petitions until the delay was reported in the media, and now all they are doing is pass the buck to the councils."  
The *Huon News* article was published on June 8 and the responses from Michael Ferguson, Minister for Infrastructure and Transport, are dated June 12.  
Mr Ferguson's response acknowledges the Channel Highway at Kettering carries a high volume of traffic and has "limited and inconsistent" shoulders but says improvements are up to the council.  
"The Kingborough Council is best placed to determine the appropriateness or priority for extension of its exist- ing pathway network between Oyster Court and Oxleys Road," the response says.  
"The Kettering petition attracted almost 250 signatures and the residents' genuine concern for pedestrian safe-

ty in their area has been snubbed," Mr Winter said.  
"This is a major highway and it is the Government that is responsible here."  
The petition was tabled in the Legislative Council in March 2021 and requests a gravel pathway to be built on Crown property on a stretch many walkers use to access the Trial Bay walking track.  
"Those who signed this petition take this issue seri- ously but it's clear the Liberals don't," Mr Winter said.  
"They even sent the response relating to Dover to the Kettering petitioners - this shows how little they care."  
Late last year Mr Winter tabled a petition in the House of Assembly requesting the speed limit on the Channel Highway to be lowered to 50 kilometres per hour in towns including tables.  
A response to the petition was due on May 26, however is yet to be tabled.

# Questions on council wages matter

## The Kingborough Chronicle has received comments and questions from the public regarding the matter of Council workers' wages, articles published on June 7 and 14.

The expressed concerns include:  
• Concerns regarding large salaries for Council executives.  
• Concerns that wage pressure is deliberately being placed on employees in order to transition Council to outsourcing services to private labour hire companies.  
• Concerns that outsourcing services to private labour hire increases overall costs to ratepayers and increasing work for council employees to manage private firms.  
The *Kingborough Chronicle* requested an update from the General Manager last week and asked the following questions:  
• How can an employer justify reducing an employee's superannuation to fund a pay increase?  
• Is Kingborough Council satisfied there are sufficient, qualified and skilled employees to manage the growing

level of work in the municipality?  
• What is the General Manager's salary and total renu- meration package for the financial year 2021-2022?  
• Who are the independent consultants that set the remuneration level paid to the General Manager?  
• When was the General Manager's remuneration package last reviewed and is this process transparent?  
The following response was received from the General Manager, Gary Arnold on Friday, June 24.  
• "The current offer does not alter the 12.5 per cent superannuation paid to staff.  
• "Kingborough Council is satisfied there are sufficient, qualified and skilled employees working to service the municipality.  
• "Council reviews the General Manager's remuneration annually in accordance with the contract.  
• "The General Manager's remuneration package is reviewed annually, and he has not had a pay increase since March 2020.

• "Total remuneration package = \$267,763."  
Kingborough Council's Annual Report 2020-2021, in the section titled *Notes to the Financial Report*, under the head- ing *Remuneration Principles, Executives* (Page 129) states:  
"Remuneration levels for key management personnel are set in accordance with market forces.  
"The remuneration of the General Manager is periodically reviewed by an independent consultant.  
"The employment terms and conditions of senior executives are contained in individual employment contracts and prescribe total remuneration, superannua- tion, annual and long service leave, vehicle and salary sacrifice provisions.  
"In addition to their salaries, Council also provides non-cash benefits and contributes to post-employment superannuation plans on their behalf.  
"The performance of each senior executive, including the General Manager, is reviewed annually which includes a review of their remuneration package."

# Labor criticised

Continued from front page

State secretary of the Health and Community Services Union (Tasmania), Tim Jacobson, tweeted, “We’re all going to jail”.

“Orwell would be proud.”

Independent Member for Clark, Kristie Johnston MP tweeted, “Labor should hang their heads in shame”.

“They have sold out the very constituency they say they represent – the most vulnerable,” wrote Kristie Johnston MP on June 23.

“They pretend to be the champions of the community sector then blatantly ignore their pleas for help.

“This is bad law.”

Tasmanian Greens Leader, Cassy O’Connor was also highly critical, stating that Labor had “sold out democracy and the right to peaceful protest in Tasmania” by backing the Bill.

“Tasmanian Labor has just sold out democracy and the right to peaceful protest in Tasmania,” Ms O’Connor in a media release on June 23.

“The party has abandoned its traditional roots, including every union member in Tasmania.

“Anyone who thinks modern Labor is any different from the Liberals need look no further than today’s vote.”

The issue has been reported in various letters received and published by the *Kingborough Chronicle*.

Beginners learned to sew a patchwork cushion cover, assisted by Briony Alderslade (back) and Kate Marshall (front right) from Frangipani Fabrics, at the KIN Creative Space behind Kingston Beach Hall on Saturday, June 25. See next week’s *Kingborough Chronicle* for the full story and more photos.

# Labor split on mask wearing

Continued from front page

## Non-transparency

Epidemiologist and Greens Member for Franklin, Dr Rosalie Woodruff MP said, “two years into the COVID pandemic and Tasmanians are still being kept in the dark about its impacts”.

“We should have access to anonymous information that tells us how people in aged care are being looked after, including where COVID infections and deaths are occurring.

“Although we know 1353 people in aged care homes across Australia have died of COVID so far this year, we have no idea how many of these people lived in southern Tasmania.

“The State Government is responsible for providing COVID death data to the Federal Government.

“The Health Department, of all areas of Government, should engender a sense of trust in the public.

“It is concerning we still don’t have basic information about how COVID is affecting vulnerable people living in our residential facilities.”

## Nationwide statistics

According to the federal Department of Health, across Australia the total number of COVID-19-related deaths by age categories and sex, records the loss of:

- 4165 males and 3360 females over age 70;
- 768 males and 436 females aged 50 to 69;
- 140 males and 85 females aged 30 to 49;
- 23 males and 20 females aged 0 to 29.

A COVID-19 death is defined for surveillance purposes as a death in a probable or confirmed COVID-19 case.

## Tasmanian statistics

In Tasmania there have been 89 deaths since the first case of COVID-19 was reported.

There have been 1249 confirmed cases in Tasmanian residential aged care facilities, resulting in 22 deaths, and five cases in aged care in-home services since late January 2020, resulting in two deaths.

The *Kingborough Chronicle* also wrote to local elected members Ella Haddad MP, David O’Byrne MP and Dean Winter MP on June 22.

“Given the rising COVID case numbers, can David O’Byrne MP, Dean Winter MP and/or Ella Haddad MP please provide a statement on the Tasmanian Government’s easing of face mask restrictions?

“Has David O’Byrne MP, Dean Winter MP or Ella Haddad MP asked the Government to reinstate facemask restrictions?

“Have the elected representatives viewed the Tasmanian Government’s health advice?

“Do elected representatives consider it appropriate to remove masks at this stage of the pandemic?

“What is likely to happen to the health system, given flu season is also occurring at the same time?

“How many additional deaths does the government modelling anticipate as a result of the removal of mask mandates at this time?

“How many additional cases of long-COVID does the government modelling anticipate as a result of the removal of mask mandates at this time?”

In a response on June 23, Dean Winter MP did not specifically answer questions about long-COVID or potential for cumulative impact on the health system during the flu season.

“We have accepted and supported the public health advice from the start of the pandemic, and we will continue to do so,” replied Dean Winter MP.

“COVID-19 is an evolving issue in the state, and we will continue to monitor and seek the best advice for the future.”

The *Kingborough Chronicle* also requested a copy of the health advice regarding mask removal that Mr Winter said Labor had accepted and supported.

## Labor split on mask-wearing stance

Member for Franklin, David O’Byrne MP, who is no longer a member of the Labor caucus, replied separately:

“Although I don’t support mandatory mask-wearing in all settings, I do believe mask mandates in vulnerable healthcare and aged care settings should remain in place at this stage,” stated David O’Byrne MP.

“I believe the Government’s decision to remove the mask mandate in these high-risk environments from July 1 would take effect at the worst possible time.

“Tasmania is in the grips of a worsening flu season.

“Now is not the time to eschew sensible COVID mitigation strategies and let the virus run rampant through vulnerable healthcare and aged care settings.

“I have written to the current and former Premier and Health Minister about my concerns with a variety of this Government’s COVID-related policies over the past two years.

“I will write to the Premier and urge him to retain mask mandates in these critical settings,” said David O’

Byrne MP.

“Alternatively, if the Premier claims his government has modelling to back up their decision to abandon mandatory mask wearing in these environments, then I will urge his government to release that modelling.

“I will continue to view and follow the Government’s health advice, just as Tasmanians have been doing diligently throughout this pandemic.

“However, in instances where the Government make significant health policy decisions without proper consultation with the health community, the Premier should be transparent and release any modelling, evidence or justification for these changes.

“The Government should release any modelling it has undertaken into the preparedness of Tasmania’s ailing health system to cope with this bad flu season.

“I commend the Government’s recent policy to roll out free flu shots for Tasmanians until July 6, but it’s too little too late,” continued Mr O’Byrne.

“More needs to be done to ensure every Tasmanian has an opportunity to get a flu shot to protect themselves and their loved ones.

The free state-run flu vaccination clinics should be expanded to more locations, particularly in our regional areas.”

## Modelling not provided to Members of Parliament

Mr O’Byrne MP said he had not been provided with any of the Government’s modelling regarding removal of mask mandates in winter.

“If this modelling has been undertaken, it should be released so that the public and the Parliament can properly examine it and scrutinise the Government’s COVID response.”

## Long-COVID clinic

“The Premier should follow the lead of the newly-elected South Australian Government and open a dedicated long COVID assessment clinic in Tasmania that has the resources required to diagnose and facilitate treatments for emerging long-COVID cases,” stated David O’Byrne MP.

“While the Premier has recently announced its own version of a long-COVID Clinic, it is months away from being ready and it appears to only be an advice and referral service rather than a dedicated medical facility.”

# Defibrillator on Blackmans Bay foreshore

**A potentially life-saving Automated External Defibrillator (AED) unit has been installed for 24/7 access at a café on the Blackmans Bay foreshore.**

In a joint media release, the Blackmans Bay Community Association (BBCA) and the Kingston Beach Surf Life Saving Club (KBSLSC) said the groups partnered to put forward a funding application.

A grant from Ambulance Tasmania's Community Defibrillator Fund recognised the need for a defibrillator unit at the beach.

"Both groups give sincere thanks to the owner of the Jack Loves Red café who has provided a safe, well-lit external spot for the unit, it has been installed recently and is now available 24-hours a day," said former Blackmans Bay Community Association president Rosalie Maynard.

"It's well known how quick and easy access to a defibrillator can be vital in saving lives following cardiac arrests.

"With growing numbers of walkers, beach-goers, playground users and café customers using the Blackmans Bay foreshore, experience has shown it's so important to have a defibrillator unit close by that can be accessed 24/7."

Kingston Beach Surf Lifesaving Club's communications officer Bridget Fasnacht said the Club has already seen the benefit of a similar unit they were responsible for installing in the Kingston Beach precinct.

"Now that our Club has a presence at Blackmans Bay

Beach, our Club jumped at the chance to work together with BBKA, and are thrilled at this outcome," said Ms Fasnacht.

"The chance of survival after a cardiac arrest decreases by up to 10 per cent every minute, with the most effective intervention being the application of a defibrillator, as soon after the arrest as possible.

"KBSLSC will be offering training in the use of the defibrillator and in CPR to local businesses and community members.

"It's such a self-explanatory process to use a defibrillator.

"The machine actually talks you through the process, so even people who may have some hesitancy in thinking about using it, find they can do it easily", Bridget explained.

"There are many resources online, including videos that people might like to access in order to become familiar with how an AED works.

"BBKA and the KBSLSC thank the Tasmanian Government for funding this program.

"The unit will be registered with Ambulance Tasmania's app that shows the nearest AED to the user's location.

"The AED Locator app can be downloaded to your phone.

"The app makes it easy for people to see the location of defibrillator units and minimises the time taken to find one should the need arise."

A defibrillator unit has been installed at a café on the Blackmans Bay Beach foreshore.

## Taroona bowls carpark upgrade to be considered

**Kingborough Council will consider a request to upgrade the parking area between the Taroona bowls and tennis facilities as part of its 2023/24 capital budget.**

A motion was carried at an Ordinary Council Meeting on June 6, as a result of the submission of a petition organised by the Taroona Bowls and Community Club (TBCC).

Lead petitioner Kaspar Deane said the club members felt their efforts were paying off.

Mr Deane said upgrades to the carpark are overdue.

"This is something that's long been raised by members and visitors to the club as an issue that needs fixing," stated Mr Deane.

"Anyone who's had to park there, particularly at night, would agree the current infrastructure isn't fit for purpose.

"In a Council meeting on June 6, Councillors discussed the petition which received over 100 signatures.

"Councillors agreed the area was in need of repair and have committed to fully scoping and cost in the upgrades.

"While Council's commitment is no guarantee, this is clearly a positive development and welcome news for our community.

"The positive comments from Councillors were well-received by TBCCs Board members."

Chairman of the Club, Sean Riley, wrote to Kingborough Councillors ahead of the June 6 meeting, highlighting safety issues and benefits to other community groups.

"Amongst those was the Board's main concern of safety," noted Mr Riley.

"Unfortunately, the poor state of the parking area means it's becoming increasingly unsafe for patrons, particularly those with mobility issues.

"The area in question is used by a range of community members, from the RSL members who call the club home, to all those who park and access near-by recreation and sports facilities."

## Tree planting in July celebrates 15 years

**Kingborough Council is hosting its annual tree planting day in July, and the community is, again, invited to participate.**

The event is to align with National Tree Day on Sunday, July 31, with Council and the community also celebrating 15 years of National Tree Day activities in Kingborough.

In a recent social media post celebrating World Environment Day, Kingborough Council encouraged locals to "be a part of the #GenerationRestoration movement and help us to heal our local landscapes".

"Today we pause to reflect on the past accomplishments of the hundreds of people that have come to our annual tree planting events.

"Over the past 15 years they have contributed to putting over 18,000 plants in the ground to restore local ecosystems.

"Save the date, bring your friends and enjoy the great

feeling of watching the plants grow over time."

According to the Planet Ark website, this year's Kingborough Council's National Tree Day planting event will take place at Saddle Road in Kettering, from 10am to 2pm.

The chosen site is near the area planted in 2020 and is being restored after weed removal.

"It is a has a rare stand of black gums which we are adding to for our Swift Parrots," noted the event organiser, Kingborough Council's Natural Areas Interpretation Officer, Bridget Jupe.

"It is also a habitat corridor; a band of trees and plants that connect habitats across the landscape so that wildlife can move around safely."

To volunteer, contact Bridget on 0429 011 920 or register online at [www.treeday.planetark.org/site/10026483](http://www.treeday.planetark.org/site/10026483)

# Locals on Queen’s Birthday Honours List

**Three Kingborough residents are among those awarded in the Queen’s Birthday 2022 Honours.**

The Governor-General of the Commonwealth of Australia, the Honourable David Hurley AC DSC (Retd) announced the Honours List on Monday, June 13.

**Medal of the Order of Australia  
Mr Patrick Eadington**

Former Kingston High School Student, Patrick Eadington has been awarded a Medal of the Order of Australia, for service to people with disability.

Mr Eadington was among the 669 recipients of awards in the General Division of the Order of Australia this year.

Mr Eadington’s contributions and achievements include, among other things:

- Representative, Tasmanians with Disabilities, Inquiry into Disability Discrimination Act, Productivity Commission, 2004.
- Former Panel Member, Sexuality and Disability Reference Group, Family Planning Tasmania.
- Member, Hobart Access Advisory Committee, City of Hobart, 2002-2018.
- Disability Support Member, Board of Governance, Advocacy Tasmania, since 2013.
- Committee Member, Arts and Disability Panel, Tasmanian Government, 2011-2013.
- Li-Ve Tasmania, Board Member, since 2018.
- Volunteer Award, Anglcare Australia, 2012.

**Public Service Medal  
Ms Jennifer Patsy Gale**

Jennifer Gale, of Kingston, was awarded a Public Service Medal, for “outstanding public service during the COVID-19 pandemic”.

“Ms Jenny Gale has demonstrated exemplary leadership and made an extraordinary contribution to keeping Tasmanians safe from COVID-19, during an unprecedented and challenging two years and she continues to do so.

“As Secretary of Department of Premier and Cabinet and Head of the State Service, Ms Gale has worked in close liaison with the State Controller and State Health Commander and other agencies to ensure the coordination of the response to the most serious and prolonged public health emergency in our lifetime.

“Ms Gale has been instrumental in setting the standard for a collegiate multi-agency approach to the management and recovery efforts, even in the most challenging setting.

“She has worked tirelessly throughout the pandemic to ensure that decisions are fully informed with the ultimate outcome of protecting the safety of Tasmanians.

“Throughout the pandemic, the Government has relied on the leadership of Ms Gale and her ability to provide extensive advice on actions required.

“She has demonstrated strong leadership at state and national levels which has been pivotal in Tasmania’s response, particularly as circumstances changed rapidly.

“Ms Gale led her teams to quickly respond to emerging needs for public communication and support, in the acquisition and distribution of rapid antigen tests and in ensuring continuity of Government services to the community.

“Ms Gale established a regular communications network with all government business enterprises and state-owned companies to ensure currency of information and channels for support.

“Despite the enormity of her workload, Ms Gale has continued to support the Government and Tasmanian state servants through her day-to-day roles.

“At the same time she recognised the toll the workload and pressure placed on those around her and she provided personal support.

“This support and her ability to listen were greatly valued.

“Ms Gale has demonstrated exceptional skills of diplomacy, ensuring collaboration across multiple agencies and stakeholders, and negotiated positive outcomes for the community during these extremely demanding times.”

A total of 92 Australians were recognised for their contribution in support of Australia’s response to the COVID-19 pandemic.

**Mr Robert Patrick Bryson**

Robert Bryson, of Kingston, was awarded a Public Service Medal in recognition of “outstanding public service for his sustained role in the logistic and asset improvement and modernisation of Australia’s operational Antarctic program”.

“Mr Bryson was responsible for the leadership and management of a program of renewal of the logistical capabilities and infrastructure that supports Australia’s scientific activities in Antarctica.

“In particular, for his integral, innovative and outstanding role in the delivery of Australia’s new Antarctic research

vessel, the RSV Nuyina.

“Mr Bryson’s delivery of the RSV Nuyina ends 10 years of design, procurement, construction and development of one of Australia’s most important maritime assets.

“This complex and bespoke Government project of significant capability, was delivered to specification and on budget.

“Mr Bryson was also responsible for the development of the Antarctic Traverse capability, the building of a new research station on Macquarie Island and the Davis Aerodrome Project.

“Internationally, he has engaged with foreign entities and leaders, and has established enduring reputational value for Australia’s Antarctic Program.

“Mr Bryson’s outstanding leadership, project management and commitment has ensured the best possible outcomes and delivery of major Government initiatives.”

The two, local Public Service Medal recipients were among 201 Meritorious award recipients this year.

The Queen’s Birthday 2022 Honours List, including further details on this year’s recipients, can be viewed at [www.gg.gov.au/queens-birthday-2022-honours-list](http://www.gg.gov.au/queens-birthday-2022-honours-list)

Members and guests of The Men’s Probus Club of Kingston recently enjoyed a trip to Cygnet, lunching at the Cygnet Old Bank. The 1909 Victorian-style building on the main street, with old stables at the back, proved to be a rustic location for good food and good company. Robin Voss said visitors and new members are welcome to join the Club, which also offers “special interest groups” that “keep members mentally stimulated and friendships ongoing”. The Club meets at the Kingston Community Hall on the last Monday of each month, commencing at 10am, followed by morning tea and a guest speaker presentation.

# Community shapes Kingborough's environment spend

**Kingborough Council has allocated over \$1.3 million in its 2022/23 budget to protect and improve the municipality's natural areas and biodiversity.**

The budget was adopted at a Council meeting held on June 14.

Kingborough Mayor, Cr Paula Wriedt said community consultation on the budget revealed a desire to see Council do more on environment and climate change.

"In this year's budget, Council is spending over \$1.3 million in natural areas and biodiversity," stated Mayor Wriedt.

"This year's budget includes a number of projects to protect, manage and improve Kingborough's environment.

"\$55,000 will be invested in weed control for Kingborough and \$50,000 for a Tree Strategy to look

at the methodologies, prioritisation and management and maintenance of trees in the municipality.

"To avoid and minimise damage to assets, human safety and environmental harm, a \$40,000 Urban Creek Management program will implement the priority actions from the Creek Maintenance Plans.

"\$55,000 will be provided for a Snug Climate Change Adaptation project which will progress climate change risk quantification and understanding for Snug township, as well as community engagement and adaptation options development.

"\$19,000 has been allocated for Public Art and Art Awards throughout the year as well as \$49,000 for a Children and Young People's activities program to provide a variety of events and occasions for young people throughout Kingborough.

"Supporting our senior community members to

improve their social wellbeing, by providing a diverse, healthy and connected Learning for Life and Positive Ageing program with a budget of \$20,000."

## Channel Highway redevelopment

"As Kingston Park playground Stage Two is now nearing completion, Council will now focus on the redevelopment of the Channel Highway at Kingston," stated Mayor Wriedt.

"Works beginning this financial year will improve the pedestrian pathways in Kingston as well as improve

the space with more plantings to make our CBD more attractive promoting business and community activity.

"We are upgrading our Whitewater Creek walking and cycling tracks and will be delivering an underpass under the Huon Highway to safely connect Kingston Park to the wetlands and beyond for pedestrians and cyclists.

"This development will provide future connections to the Kingborough Community Hub, Kingston Park and the many new homes that will be located in our CBD in the near future."

# Blackmans Bay beach clean day

**Blackmans Bay Landcare group are embarking on a Blackmans Bay waterfront clean-up on Saturday, July 2 and everyone is invited.**

The Landcare group stemmed from the Blackmans Bay Community Association in late 2021.

"The Blackmans Bay Community Association is forging a path that is proactive and focussed on community building," explained group member, Louisa d'Arville.

"So we may respond to our community's needs, we need to at first find our community.

"We hope to connect people through a beach clean-up and get together, to find new friends and forge new partnerships.

"This clean-up is the first of what we hope will be a series of activity-based get togethers.

"It is family friendly, positive and proactive.

"We're a powerful partnership with a positive future," said Louisa.

"Members and non-members are welcome. "Bring warm clothes, sturdy shoes and gloves," suggested Louisa.

"Bags will be provided.

"There will be an afternoon tea at 3.45pm. "Join us for warm drink and afternoon tea."

Louisa said people are welcome to just attend the afternoon tea.

"It's a great opportunity to ask questions, make suggestions or raise issues," she said.

"RSVPs for afternoon tea are appreciated.

"Everyone is invited to join in the effort, commencing at 3pm from Blackmans Bay Community Hall."

To RSVP, email John at bbca7052@gmail.com

**Kingborough Council advise that construction works will commence on a pavement and footpath along Browns Road in Kingston on July 4. The works are expected to cause traffic disruptions at times. Council stated, in a post on June 23, that contractors will liaise directly with property owners to advise and manage specific impacts in advance. Works are due to be completed in August. (PS)**

## Kingborough

### ROADSIDE SPRAYING PROGRAM

To maintain roadside vegetation, Council undertakes a spraying program within both urban and rural areas of Kingborough, using Government approved herbicides.

As part of the program, Council invites residents to apply for their property frontage to be added to the No Spray Register for the 2022-2024 period. Please note that all current permits for 2020-2022 will expire on 30 June 2022. Residents with these permits will need to re-apply.

Visit [www.kingborough.tas.gov.au/forms/no-spray](https://www.kingborough.tas.gov.au/forms/no-spray) to view the No Spray Register Guidelines and submit a request to be included on the register.

The request form is also available from the Civic Centre in Kingston and the Bruny Island Service Centre.

Where Council approves a frontage for inclusion within the No Spray Register, it will be the applicant's responsibility to manage the roadside vegetation within the No Spray Zone, in accordance with the permit issued by Council.

**Applications must be lodged with Council by Friday 29 July 2022.**

**Gary Arnold**  
General Manager

*Get your flu shot today.*

North West Bay Scout Group members Jack Lyons (second, left), Shelby Leonard (right) and Rachael Barrett (centre) were presented with Australian Scout Awards, the highest attainment in the scout section, at the Scouts Tasmania annual general meeting on June 3. Jack and Rachael planned and led a four-day hike on Maria Island and Shelby planned and led a three-day hike at Freycinet. (PS)

# Scouting success

North West Bay Scout Group recently celebrated the success of three scouts and one venturer scout who were awarded the peak award in their respective scout section.

"The award winners have each shown significant personal development whilst demonstrating active leadership amongst their peers," noted Group Leader, Lorna Barrett.

"Youth members are challenged to reach a number of goals, with the aim to develop their full social, physical, intellectual, emotional, spiritual and character potential as a young person in Australian and global society.

"Amelie Hudspeth was presented with her Queen's Scout Award by the Governor of Tasmania, Her Excellency the Honourable Barbara Baker AC at Government House.

"To complete her Queen's Scout Award, Amelie needed to attain a high level of competency in core areas of bushcraft, camping and hiking as well as in her chosen elective areas of sailing, rafting and paddling. "She was also required to develop and demonstrate

her leadership skills by leading and assisting others in weekly activities over a three-year period.

Jack Lyons, Shelby Leonard and Rachael Barrett were presented with their Australian Scout Awards, the highest attainment in the scout section, at the recent Scouts Tasmania AGM.

"All three scouts completed core competencies in bushcraft, camping and hiking as well as demonstrating learning and growth in areas of their choice, including football, basketball, cricket, gymnastics, performance art and music.

"All three scouts completed a leadership course and a Senior First Aid course.

"The award program emphasises community values, challenging activities, leadership and teamwork development.

"Taking the adventure into the outdoors is fundamental to the educational outcomes of the Australian Scout Award and the Queen's Scout Award.

"To achieve this aim, each of the recipients organised a trip for a patrol of their peers, with limited adult assistance and supervision."

North West Bay Scout Group member Amelie Hudspeth (right) was presented with a Queen's Scout Award by the Governor of Tasmania, Her Excellency the Honourable Barbara Baker AC at Government House. Amelie planned and led a four-day kayaking expedition. (PS)

# Kingston youngsters adventure with kunanyi

Kinder Grey and all four 1/2 classes at Kingston Primary School were treated to a visit by Ruth Oettle and Jessica Wright, co-authors and illustrators of *The Mountain That Went For A Walk*, a recently published picture book which tells the story of kunanyi's adventures around Tasmania. Inspired by Ruth's childhood family discussions about the mountain's whereabouts on foggy days, kunanyi "picks up its skirts" and journeys through Tasmania tasting cheese in Burnie, walking on Kingston Beach, enjoying cups of tea with Mount Nelson, and generally celebrating Tasmania's hidden gems. The mountain, covered in a light dusting of snow, was visible from the classroom windows during the visit on Wednesday, June 15 and students were inspired to ask

questions about how to be an author. The classes discussed where they thought the mountain would go next, did some colouring in, and drew their own pages for possible inclusion in future books. "My favourite part was when the mountain went fishing at Bronte Park," said James age 5 in Kinder. Liam, age 7, wants to be an author when he grows up and thought "it would be cool if the mountain visited Bridport". Lilly, age 7, thought perhaps the mountain could visit pandas in China. *The Mountain That Went For A Walk* is published by Forty South and is available in local bookshops and online, with teaching resources, at [www.readalloveraustralia.com.au](http://www.readalloveraustralia.com.au)

Co-authors and illustrators Ruth Oettle and Jessica Wright visited Kingston Primary on June 15, to read their new picture book *The Mountain That Went For A Walk*. (PS)

Locals and businesses, including Harcourts Kingborough, braved the winter weather in shorts, to encourage the community to check in on colleagues, family, and friends on Tuesday, June 21. **SPEAK UP! Stay ChatTY shorts day** raises awareness for suicide prevention, aims to reduce the stigma surrounding mental health and encourages people to seek help when needed. Pictured in their shorts are Andrew Henry, Hayley Kluga, Melody Simmons, Dean Oakes, Kieran Lovell, Ava Close, Michael Harrison, Roger Roubicek, and Alicia Turnbull in front Julian Parker, Karen Cooper and Tash Cloak. (PS)

KINGBOROUGH'S  
YOUNG REPORTERS  
CAITLIN GARDNER

Kingston High's Grade 11 and 12 Program for 2023

An exciting new program has just been finalised for Kingston High students studying in Year 11 and 12 next year.

The school offers flexible, tailored learning options, supported by a skilled team of teaching staff that work with students to achieve high levels of success.

Teachers consider factors in students' lives, and work with them to support their future pathways, whether that be a Tasmanian Certificate of Education (TCE), an Australian Tertiary Admission Rank or work placements.

Kingston High School (KHS) is fortunate to specialize in Athlete Development and Outdoor Education, due to the school's proximity to facilities such as the Jack Jumpers, Kingborough Sports Centre and Kingborough Lions.

But there are other reasons to study in Years 11 and 12 at Kingston High.

Kingston High can assist those who would benefit from smaller class sizes, provided by teachers they're already familiar with.

A current KHS Grade 10 student said regarding the Year 11 and 12 program, "I think it's a great way to transition Grade 10 students into a comfortable college environment to achieve their goals".

The Hartz Collective comprises six Southern Tasmanian schools that are working together to offer local students the best opportunities for Years 11 and 12.

Schools included are Taroona High, Dover District School, Huonville High, Woodbridge High, Hobart College and Kingston High School.

Students have the option of a combined enrollment with any of the schools in the collective.

For example, Kingston High can work with individuals to design a program that is part-time at Kingston High and part-time at Huonville High, or any other combination.

This flexibility provides students a pathway that is most suitable for their learning needs.

The Hartz Collective has a mission to aid young people in gaining a TCE and advancing to future pathways suited to them.

Assistant Principal of the Hartz Collective and director of the KHS 11 and 12 program, Mr Shae said, "Our job as teachers is to ensure all students achieve success, working to fix retention in Tasmania, which isn't as high as it should be".

Kingston High will offer courses in four domains in 2023. (PS)

Kingston High School is offering an exciting, flexible new program of tailored learning options for Year 11 and 12 students in 2023. (PS)

Kingston High Expands its Year 11-12 Program

"This course guide is an invitation, to those students moving into further learning and training beyond year 10, to begin or continue learning at Kingston High School, where our specialist facilities and courses have opened new opportunities for you.

Whether you are seeking a tailored academic program, a program to provide work-readiness, a program to enable you to learn whilst studying an area of personal interest, or a program to enable you to reach the next level in your area of sport, or even a program with additional supports to enable you to remain engaged with school, we will work alongside you to create a course package with you.

At times, this may involve enrolling at more than one school, for example you may choose to study Athlete Development at Kingston High School on a Monday and Hobart College for Environmental Science 3 on another day.

You might even consider a blended learning pathway where some of your courses are face-to-face and other courses are online through Virtual Learning Tasmanian."

Dr Libby Robinson, Principal.

"The school between the Mountain and the Sea."

# Women’s Golf Day celebrated globally

**Kingston Beach Golf Club women players held a breakfast to celebrate Women’s Golf Day (WGD) on Tuesday, June 7.**

WGD is a global event held annually on the first Tuesday in June and is usually a four-hour event consisting of two hours of golf and two hours of socialising.

The Kingston Beach Golf Club breakfast event included

an address by a special guest speaker.

WGD is a global network empowering both new and experienced golfers irrespective of race, religion, language, ethnicity or location and it’s about teaching life-long skills.

The event was founded in 2016 by American golf journalist Elisa Gaudet, following a career of golf industry experience across the US, Europe and

Latin America.

This year it was celebrated in 900 locations across 68 countries inclusive of countries like Nigeria, Uganda and Saudi Arabia.

The day’s events began in Australia, running for 24 hours and ending in Hawaii.

Mayor of Kingborough, Cr Paula Wriedt, spoke to the attendees at the breakfast.

“Her words were thoughtful and well researched and demonstrated her renewed passion for the game of golf,” said the Kingston Beach Golf Club.

“We thank Paula for her time and enthusiasm.

“It was quite remarkable to think that we were sitting in the clubhouse alongside 900 other locations globally and all were celebrating the physical, mental and social benefits of the game of golf.”

Nadine Seabourne bowling for Barrie's Bitches during the Wednesday evening Fours Competition at the Donald Hazell Indoor Centre on June 22. Barrie's Bitches overall put in better shots against Second Shots on the night (23-16), and are currently in fourth spot on the ladder. (PS Pat Lee)

Skip of the team Better Performance, bowling on June 22. Better Performance outperformed Team Buttolph on the night (20-15), and are currently in second place on the Wednesday evening Fours Competition ladder. (PS Pat Lee)

In netball, the Tascon Tigers 5th Grade team won a close match against the South East Suns at the Hobart Netball and Sports Centre indoor stadium in New Town on Saturday, June 18. The Southern Tasmanian Netball Association competition match, which was tied up until the last minute, resulted in a final score of 42 to 43. The team are coached by Anna Pride. Pictured Victoria Stansfield, Amelia Doyle, Maddy Stansfield, Jenny Singleton, Leah Fletcher, Olivia Drew, Alice Riseley and Frances Rose. (PS)

The U13 Tascon Tigers Netball team played against Bendigo Bank South East Suns in support of the Motor Neurone Disease "Fight MND" fundraising round on Saturday, June 18. The Tigers succeeded, 20-10. Pictured Alice Finnegan, Alison Jefferis, Holly Larcombe, Jemima Finch, Imby Crocker, Emily McEvoy, Jayde McDermott, Briana Finnegan, Hanna Crouch and team coach Mandy White. (PS)

# A Page from the Past - Kingborough News

Fifty five years ago the Huon Newspaper Company published *Kingborough News*, a weekly newspaper that circulated from 1967. The below page is taken from *Kingborough News*, June 30, 1967.

Registered at the G.P.O., Hobart, for transmission by post as a newspaper.

## Kingborough News

EDITION OF THE HUON NEWS

1st Series: Vol. 36, No. 3328, Phone: 663104.  
2nd Series: Vol. 3, No. 144 — FRIDAY, JUNE 30, 1967 — Price 4c.

### Film on Burnt Churches

About 60 women attended a successful afternoon at St. Clement's Parish Centre, Kingston, on Tuesday, when the Rev. M. Stanton, director of overseas missions showed a film "Phoenix Of The Cross" dealing with churches burnt out in the fires, and a colour film about soldiers in New Guinea in the First World War.

Representatives of Church of England Guilds of Kingston, Blackmans Bay, Snug, Margate and Longley attended, also members of the Royal Hobart Hospital Auxiliary.

Also present were representatives of the Methodist Fellowship, Girl Guides' Association, Catholic Women's League, C.W.A., Clarendon Homes Auxiliary and Clarendon Board.

A successful stall in aid of mission funds raised \$14.45, and a tea party ended proceedings.

This evening, the Liberal Party will show films at St. Clement's Parish Centre on the bush fires.

### Apex Clubs' Dinner

### All Mates Together

• The new male swan, which was given to the R. J. Howells, of Kingston Beach, to replace the one that a fisherman "knocked off", has now made friends with the female, Pennie, who is pining no more. The Andersons, of Flinders Island, who donated the male, have since told Mrs Howell that they had christened him Cuthbert. He was released from his pen for the first time when a "News" photographer called last Saturday taking bread from a neighbour's daughter, Leanne Griggs (4). Cuthbert is a bit cautious, however, and shows he is not to be trifled with.

### BUS SEATS PLACED

Three bus seats have been installed at the suggestion of Kingborough Junior Councillors.

The seats are in Wells Parade, near Hazel St., in Roslyn Ave., near Kingston Heights, and the latest at Van Morey Rd. corner, near the Margate Hall.

These young councillors are very keen and observant, and quick to make suggestions where they see improvements can be made in their district.

### Margate Retarded

## SEWERAGE WILL BRING PROGRESS

MARGATE people are not happy about the stagnation of the town. It is beautifully situated on North-West Bay, has a good water supply, and is only 18 miles from Hobart, yet it does not progress, and home building is retarded. One thing is lacking, and that is sewerage.

In the past 12 months, very limited, except for building progress has been the recent replacement of

about 12 homes for fire victims.

Apart from these, only about half a dozen homes have been built. In fact, for the past five or six years, building progress has not been great.

The main thing that has held Margate back, apart from local industry, is the nature of the soil with a clay base very close to the top.

It has been difficult to get a house on a small allotment to hold the drainage.

You have to retain the drainage within your own boundary, and you can't allow it to go onto other

properties.

That is the reason why no-one is allowed to build on a property of less than five acres, because, if they did, they might be in trouble with their neighbours.

The Department of Health Services allowed Mr Les Gore to build a new supermarket within its own curtilage, and the B.P. station to rebuild under similar conditions.

One of the greatest retarding factors is that the Government and the Marine Board have acquired a large proportion of the foreshore, and no-one seems to know why.

### RELIEF IN SIGHT

There is a ray of hope in sight. It is believed the Kingborough Commission is considering the possibility of putting in a sullage scheme, and even a limited scheme of this nature would be acceptable as a beginning, as it would enable building to go ahead.

Until something is done about the drainage, there will be no progress.

A housing sub-division is imperative if the town is to progress, but this will not be approved until the drainage can be absorbed, or there is a sullage scheme like that established at Snug.

Costing is a problem, and it will be necessary to bring the rating within the bounds of \$15 a tenement, as in other places.

Until this scheme is implemented, the immediate need is to overcome the offensive odour that comes from the open drain that carries the discharge that comes mainly from the school at the top of the hill.

According to the headmaster (Mr K. Williams), this consists mainly of the washing up from the milk bottles, and soapy water from the sinks. The effluent from septic tanks goes into a charcoal pit, and is the natural seepage from the subsoil.

Margate is only a half-hour run from Hobart and, with the new outlet road, will be less, so people could live there comfortably and work in Hobart. But there must be a sullage scheme.

Residents feel that, because of the nuisance factor from the school, the Commission should submit a case to the Government to contribute towards a sullage system.

Mr W. E. Rushton, president of the Parents and Friends' Association, told the 'News' that something would have to be done soon, because the open drain in the upper part of the town produced a definite odour, and lower down the hill there was only an open dirt drain, and the effluent spread into private properties.

Mrs D. N. Hodgson, treasurer of the Parents' Association, who lives in the lower area, said the existing situation was a menace to health. When the matter was mentioned to Commissioner MacLeod, he said the Kingborough Commission was gradually working up to the point when a sullage scheme could be installed at Margate, and if the Government was interested in establishing a housing sub-division, it would be a great help.

### FIRE PLACES ON RESERVES

Picnickers will be glad to know that concrete fireplaces have been erected on reserves at Tarooma, Kingston Beach and Middleton, as requested by the respective Recreation and Reserves Committees.

The engineer (Mr P. Spratt) reported this to the Kingborough Commission.

He stated also that clearing up and loaming the area behind Blackmans Bay Hall was in progress.

### DEPARTMENT of STATE GROWTH

## Tasman Bridge Pathways Upgrade - Consultation is Now Open

The Department of State Growth is starting an exciting major upgrade to the Tasman Bridge, to bring it in line with modern use and ensure ongoing safety, functionality, and an attractive appearance.

The Tasman Bridge is an important part of Hobart and a key transport link. It connects the people of Hobart every day and is the gateway to our city for thousands of visitors every year.

The upgrade will feature a 3.5 m pathway on both sides of the bridge for enhanced cyclist and pedestrian access, heightened safety barriers, upgraded maintenance infrastructure and feature lighting. When completed, it will strengthen the bridge, increase safety and improve active transport connections between the eastern and western shores.

This will be the Tasman Bridge's first major upgrade since it was repaired in 1975 following the Lake Illawarra disaster, with \$130 million committed by the Australian and Tasmanian governments.

### How you can have your say

You can check out the concept designs and related information, and give your feedback via the project website: [www.transport.tas.gov.au/tasmanbridge](http://www.transport.tas.gov.au/tasmanbridge)

We invite you to provide feedback via [participate@ghd.com](mailto:participate@ghd.com) or on 6210 0662.

If you or someone you know is experiencing distress, seek help and support from:

- A Tasmanian Lifeline (1800 98 44 34 - 8am to 8pm)
- Suicide Call Back Service (1300 659 467)
- Lifeline (13 11 14)

In an emergency, call Triple Zero (000).

## Kingston Bypass Duplication and Algona Road Roundabout Upgrade Options Analysis

### Have your say on options for the Kingston Bypass Duplication and Algona Road Roundabout Upgrade

The Department of State Growth is investigating safety and congestion improvements for a 3.5 km section of the Kingston Bypass which includes the Algona Road Roundabout intersection with the Channel Highway to the Groningen Road overpass. It also includes the intersections with Summerleas Road and the Huon Highway.

You are invited to have your say on design options which aim to improve safety and traffic flow. Your feedback will help inform the final designs.

Public consultation is open from Monday, 27 June until Sunday, 17 July. Find out more at our website at:

[www.transport.tas.gov.au/kingston-bypass-algona-roundabout](http://www.transport.tas.gov.au/kingston-bypass-algona-roundabout)

You can also use the QR code to access our online consultation portal.

The Kingborough Tigers fought Clarence at Twin Ovals in the Southern Football League Women's Division 1 competition on Saturday, June 25. The Tigers (4.2.26) lost to the Roos (6.4.40). In a tough game, the Tigers rallied for a big third quarter but it was not enough to take the win. Tigers' goal scorers: G. Bailey, J. Mather, M. Beaven, S. Leonard. Tigers' best on the day: M. Lamprill, M. Beaven, S. Grimsey, A. Vandermeer, L. Dalco, P. Odwogo. Pictured Georgie Bailey kicking a goal. (PS Carolyn Whitehouse)

# Tight contests on the green

### Afternoon fours competition

**Round 11 of the 17-round Tuesday afternoon fours competition was held in the Donald Hazell Indoor Centre at the Kingborough Bowls and Community Club on June 21, with most games tightly contested.**

The first drawn game of the 2022 season occurred in a dire contest between the Cygnet-based Team Schooling and Team Dannock.

Other games were also highly contested overall, with close scores on numerous rinks.

Team of the Week is awarded to Team Hinkley (Sue Mann, Neville Riseley, Michael Steele and skip Jeff Parsons), who won over Rosevears by 15-shots.

Results on the day: Newbold defeated Hemmings (26-15), Duggan defeated Chaffey (21-15), Harra's Harem defeated Cawthorn (20-16), Dannock drew with Schooling (17 all), Willett defeated Pearce (21-8), Lee defeated Mus (17-9), Hickey defeated McLroy/Neske (17-12), and Hinkley defeated Rosevear (27-12).

Teams Baker/Thompson and Palmer had a bye. At the end of the day, the "byes adjusted" leader board sees Hinkley replacing Harra's Harem on top, while Cawthorn, because of their loss, exiting to be replaced in sixth place by Team Palmer.

The top six are Hinkley, Harra's Harem, Baker/Thompson, Duggan, Newbold and Palmer.

### Evening fours competition

In the Wednesday evening fours competition on June 22, after the completion of Round 9, the top four positions on the competition ladder remain unchanged.

The Beach Volley Ballers are in first place on 24 points, with a massive plus 106-shots up.

In second place also with 24 points is Better Performance, with plus 83-shots up.

In third and fourth place, both on 21 points, are The Four South Africans, with plus 66-shots up, and Barrie's Bitches, with plus 38-shots up.

The four top teams have pulled away from rest of the field with the next closest teams two wins behind on 15 points.

An interesting battle is taking place at the bottom of the ladder with three teams fighting off the 'wooden spoon' title.

All three of the teams sitting on 6-points see Team Buttolph with minus 57-shots down, the Pee Bees with minus 76-shots down and the Barefoot Ballbusters with minus 81-shots down.

Most of the games on the night were fairly close encounters with the only real runaway game performed by the Left Overs defeating the Barefoot Ballbusters (27-10).

Barrie's Bitches put in better shots overall to down Second Shots (23-16).

The Four South Africans were almost cut down by the Geeveston Woodchoppers, only defeating them by four shots, 20-16.

The Pee Bees, with their second win of the series, defeated The Mont in a very close game (17-16).

Better Performance outdid Team Buttolph (20-15).

The Cherry Pickers, who are on a roll winning their last four games, packed away the Dynamics (24-16) and The Beach Volley Ballers continued their dominance in the competition downing His and Hers (26-14).

## GOLF RESULTS

### Kingston Beach Golf Club - Women's

#### Stroke, Tuesday, June 21
