

Taroona student turned Danish Queen

This weekend saw former Taroona resident Princess Mary crowned as Queen Consort of Denmark.

Her husband King Frederick ascended the throne following his mother Queen Margrethe's abdication.

Queen Mary is the first Australian-born Queen of a European monarchy, a graduated student of Taroona High School, Hobart College and University of Tasmania.

Celebrations have been held across Tasmania, with the Tasman Bridge lit up in red and white on Sunday, January 14 to commemorate Queen Mary's coronation.

Kingston servo under legal action

The Fair Work Ombudsman (FWO) has commenced three legal actions against two companies and an individual in relation to alleged underpayments of workers at United Petroleum outlets in Kingston and Sandy Bay.

The FWO alleges four migrant workers were underpaid a total of more than \$20,000 and that false pay slips were issued.

KLM Foods Pty Ltd, which operated the Kingston and Sandy Bay outlets and its sole director Mr Loveleen Gupta, are facing the Federal Circuit and Family Court in relation to the allegations.

Vizaan Pty Ltd, which employed a worker at the Kingston outlet, is also facing court.

Mr Gupta is the husband of Vizaan's sole director and is a respondent in both proceedings.

The FWO's Tasmanian legal actions relate to four migrant workers from India and Bangladesh, who were in Australia on visas when they worked for KLM Foods and Vizaan at the United Petroleum outlets.

One was a junior aged 19-20 at the time.

It is alleged that KLM Foods underpaid three workers a total of \$15,116 and Vizaan underpaid one worker \$5114, with Mr Gupta allegedly involved in all underpayments.

It is alleged that the workers were paid unlawfully low flat rates between December 2020 and February 2021.

The FWO also alleges KLM Foods and Vizaan knowingly provided workers with false pay slips and that KLM Foods also knowingly provided FWO with false timesheets.

Fair Work Ombudsman Anna Booth said alleged underpayments of visa holders are treated particularly seriously.

"Employers need to be aware that taking action to protect potentially vulnerable workers, including visa holders and young workers, is among our top priorities," Ms Booth said.

"Employees must be paid all entitlements - and pay must cover all hours actually worked.

"The alleged providing of false records is serious and unacceptable conduct."

Laws related to record-keeping and having written agreements for part-time staff were allegedly also breached.

The *Kingborough Chronicle* reached out to representatives of United Petroleum for comment.

Queen Mary, formerly from Taroona, was crowned Queen Consort of Denmark on Sunday, January 14. Her husband King Frederick has ascended the throne following his mother Queen Margrethe's abdication. (PS)

LETTER TO THE EDITOR

This situation needs more attention

Dear Editor,

After reading the Coles statement saying they still
have an express lane, which I dispute, I spoke to Dennis
the manager on January 10.

I pointed out that that particular register, which is sup-
posed to be an express lane, has always had a sign on
it telling shoppers to go elsewhere.

I also told him that I don't smoke so that would pre-
clude me from putting my few items through there as
I'm not buying cigarettes.

Also, this particular register has been styled such that
there is really nowhere to sit your basket and no signs
to say what it is actually there for and no operator from
what I have seen.

In other words, they have made it as inconvenient as
they possibly can.

After pointing out to Dennis the sign being there per-
manently sends people elsewhere, he had it removed.

Can't wait to see how long it is before the sign reap-
pears.

Coles and the managers can say what they like; it has
all been designed to get customers to use those
machines and I refuse to.

Also, there are people with handicaps and elderly who
either can't use these machines or can't stand in a line
full of trolleys for too long.

I feel that this situation needs more attention.

New volunteers in Kingborough

A new team of dedicated volunteers from the Royal
Automobile Club of Tasmania (RACT) Kingston
branch will join the Kingborough Volunteer
Program at the end of January.

The Kingborough Volunteer Program has been run-
ning for 11 years and helps around 165 residents every
year.

These residents are over 65 and living independently.
They commonly need a little help with gardening and
getting to appointments.

Volunteers also help with walking pets and provide
valuable social connections.

Deputy Mayor Clare Glade-Wright said the RACT
Kingston team would provide much-needed gardening

support to residents in Kingborough.

"With the addition of the RACT Kingston team we will
be able to help more senior residents," Cr Glade-
Wright said.

"This is a great partnership and I thank them for get-
ting on board and starting off this year with a commu-
nity spirit.

"I hope this will inspire more corporate volunteering
in all our communities."

RACT Chief Experience Officer Karla Wasinski said
the RACT had been part of the Tasmanian community

for over 100 years and the Kingborough Volunteer
Program was a natural extension of their promise to be
a shoulder to lean on and a voice when it matters.

"It is a way for our people to live the values of RACT
and to connect with the community in a very direct and
practical way," she said.

"We are looking forward to building relationships with
older residents in the Kingborough area that utilise the
volunteer program."

You can contact the Volunteer Program Coordinator
at kc@kingborough.tas.gov.au for more information.

Deputy Mayor Cr Clare Glade-Wright met with the Royal Automobile Club of Tasmania (RACT) volun-
teers from the Kingston branch who will be joining the Kingborough Volunteer Program at the end of
January. (PS)

Works on Nicholls Rivulet Road

Nicholls Rivulet Road will be closed for two weeks as work starts on the Nicholls Rivulet Road Slope Stabilisation Project.

Works commenced on Monday, January 15 and will continue until Friday, January 26.

Nicholls Rivulet Road will be closed during the working hours of 6am to 6pm.

Detours are available via either Woodbridge Hill Road (five minutes additional time between Cygnet and Oyster Cove) or Channel Highway (twenty minutes additional time).

One lane of the road will be open outside of working hours (from about 6pm to 6am) and all day on weekends.

Road users are advised to allow for eight minutes of extra travel time when travelling via Nicholls Rivulet Road during these times.

The slope stabilisation project involves securing a 120-metre bank of earth on the southern side of Nicholls Rivulet Main Road, to improve safety for all road users.

Mesh screening will be placed over the slope with drilling anchors along the top and bottom of the slope to support the screening.

The road will be re-opened from Monday, January 29, with works continuing under a single lane closure of 6am to 6pm.

An eight-minute travel delay will remain for road users during this time.

The project is anticipated to be finished by Friday, February 16, weather permitting.

Traffic signals will be positioned at either end of the work area for the duration of this project.

The Huon She Shed is a non-profit organisation that invites women from all ages, backgrounds and locations to come together to learn basic building, wood-working and metal working skills. Franklin MP Dean Young recently provided \$10,000 to the Huon She Shed to help finance a new electric fit out of their shed. (PS)

BRUNY ISLAND

Family commemorates

The family of the Honourable Bolton Stafford Bird CMG, MLC (1840-1924) are having a centennial commemoration ceremony to mark 100 years since his passing.

Bolton moved to Lunawanna, Bruny Island in 1891.

The Lunawanna Memorial Hall was built at Bolton's bequest on land he donated, in commemoration of locals who lost their lives in World War One.

The ceremony will commence with a gravesite service, followed by afternoon tea in the Memorial Hall.

Bolton's family invite the community to register by January 25 to attend the commemoration ceremony to be held on February 6.

SNUG

Off-lead area on Snug Beach south

There is a new off-lead dog exercise area on Snug Beach South.

Following the community consultation on the Dog Management Policy, the Kingborough Council endorsed Snug Beach South as a new off-lead area in December. Signs have been ordered and will be placed shortly.

The off-lead area is only on the sand and does not apply to the walking track, where dogs are allowed on lead only.

The track meanders through the trees with birdwatching spots and a StoryWalk for the kids.

Local appointment to Library Board

Kingborough Council's Manager Development Services Tasha Tyler-Moore has been appointed to the Tasmanian Library Advisory Board. Ms Tyler-Moore has over 20 years of experience in the local government sector in Tasmania and Victoria. Director of Libraries Tasmania Sue McKerracher said Ms Tyler-Moore's experience would be invaluable to the board. "She is a committed leader who understands and appreciates the important role that libraries play in Tasmania as centres of community education and engagement," she said.

The Tasmanian Library Advisory Board represents the general public who use library services and provides the Minister for Education, Children and Youth with advice on matters relating to library and information services in Tasmania. The voluntary, independent advisory group meets four times a year. Ms Tyler-Moore was appointed following the resignation of former Local Government Association of Tasmania representative Josephine Woodward, former Deputy Mayor of Kingborough Council. Her appointment is until December 31.

Money Matters

Finance Column

Master your money in 2024

The start of a new year is always a good time to think about your goals and habits for the year ahead, including your finances.

Make 2024 the year you master your money and develop healthy financial habits that stay with you for life.

Here we'll discuss some common sense (but effective) approaches to help you achieve this.

Cashflow

Cashflow is the lifeblood of every financial plan. It is important you get to know your money and understand exactly what is coming in, what is going out and where.

If you are not very disciplined when it comes to managing your cashflow, developing a budget is a holdfast way to understand and take control of this.

A budget will also help you to track your spending and cancel expensive services or subscriptions that are perhaps wasteful or unnecessary.

Understanding your cashflow is the foundation of a good financial plan.

Start saving

Once your cashflow is under control, you will be able to understand how much you can save.

Whether you are saving for your first home, an investment property, a car, a holiday or any other cost, developing a savings plan is a great way to keep you accountable and help achieve your target.

Setting up an automatic transfer into your savings account will eliminate the desire to spend unnecessarily.

It is important to make sure the amount you are saving is realistic, achievable and sustainable.

It is also important to have an emergency fund on top of your savings for unexpected expenses.

Investing surplus cash

If you are in the favourable position of having money left over after your expenses and savings, you might consider investing surplus cash into assets.

Investing your money into assets such as

shares, property or bonds can potentially reward you with financial growth and income over time.

Returns from assets provide another means for funding things such as a holiday, children's education or retirement.

When investing your money the structure in which you hold your investments must be aligned with your goals.

Different structures have different trade-offs, for example, superannuation has preservation rules compared to non-superannuation structures.

Having the correct structure is equally as important as the investment itself.

Review your debt

With interest rates at the highest rate since 2013 it is a good time to shop around or ask for a better rate on your home loan.

Additionally, if you have a car loan or personal loan (which generally attracts higher interest rates compared to a mortgage) you might benefit from consolidating these loans.

Plan and set goals

No matter your stage of life, developing a financial plan for the future could be the difference between achieving your financial goals or not, whether that is early retirement, being debt-free, or paying less tax.

While we have only touched the surface here, the above strategies are a starting point for mastering your money.

The world of personal finance can be confusing and daunting; talking to a professional adviser at Elevate Wealth will help make sense of it all.

Any general advice in the publication has been prepared without taking into account your objectives, financial situation or needs.

Before you act on any general advice in this publication, you should consider whether it is appropriate to your individual circumstances.

Please seek personal advice prior to acting on this information.

A lifestyle adventure on Bruny Island

Located in one of Tasmania's top 10 must-visit destinations, this outstanding locale opposite Adventure Bay Beach is one of the most popular and growing tourist areas on Bruny Island.

The park has consistently been nominated number two in Tasmania on *Caravan and Camping with Kids* Best Holiday Park Awards and named on 'The Star Ratings Gold List' showcasing the best caravan holiday parks in Tasmania.

This well-established landmark is the only holiday park on Bruny Island and a major player in the ever-increasing tourism boom with potential for further expansion (STCA).

The park has a unique market appeal, with a history of repeat guests and a true sense of community. A very comfortable manager's residence includes three large bedrooms, two bathrooms, open plan family living with generous and private undercover entertaining.

The beachside home is ideal for a family with children and includes a fully-fenced and private courtyard. The home includes a modern office and reception area with the convenience of a commercial laundry. On-site is also a separate, fully self-contained 30-foot caravan with a solid timber annexe, bathroom and laundry, suitable for staff accommodation. A utility area includes Colourbond sheds and two shipping containers offering ample storage. The park offers budget accommodation for families and is great for children. Kayaks and pedal cars are available for hire and there's a playground with play equipment with arguably the most beautiful beach on Bruny Island only 50 metres away. The layout of the park is designed for easy access. Currently offering four one-bedroom villas (sleeping two) and six two-bedroom cabins (sleeping seven).

All accommodation is tastefully furnished, fully equipped and includes decks to enjoy the abundant native wildlife. There are 24 powered and 14 unpowered sites. A camp kitchen offers free barbecues, and the indoor recreation area of approximately 8x16 metres is a popular communal space with cooking facilities, a fridge, TV, wood heater, tables, chairs and lounges. There is a coin-operated laundry and amenities block with communal bathrooms. Nestled between aqua blue ocean water directly opposite, the picturesque Captain Cook Creek flanks the western side. Kayaks can be launched directly from the banks of this freshwater creek and visitors can plunge into the crystal-clear water to wash away the ocean salt. There are wonderful fishing opportunities, with campers often trying their luck chasing what is said to

be some of the biggest black bream around. A short, enjoyable walk along a lovely track leads directly from the park to the bowls club, local general store and café, as well as a gym-equipped park, tennis court and community hall. Iconic island landmarks like the multi-award-winning Pennicott Wilderness Journeys, offering adventure voyages that take in the spectacular scenery, are close by. Decorative garden gravel

“Fire risk awareness in our area is more prevalent these days than ever before with denser housing in the Kingborough and Huon municipalities,” said Paul Harriss, owner of Leslie Vale Landscape and Gravel Supplies (LLGS).

“We still want our property and gardens to look nice, and the good variety of barks that were the norm for mulching are now giving way to decorative gravels as a mulch because of their ability to not burn.

“Here at LLGS we stock a large range of decorative gravels, drainage gravels and road base materials to suit most needs, all helpful in case we have a situa-

tion where a bushfire is going and embers are falling.

“Come and check the gravels out at our Leslie Vale yard, corner of the Huon Highway and Leslie Road, Leslie Vale or phone 6239 6891 for further information.

“The Huon depot is at the Esplanade Huonville, phone 6264 1398.

“Our friendly staff are knowledgeable and well placed to help, as we all live in the local area.

Premium gutter guard systems

People call Gutter Knight Tasmania to solve problems like improving tank water quality and keeping invasive birds out of the roof, but right now ember guard is at the forefront of people’s minds and rightly so.

Lachlan launched Gutter Knight Tasmania with the loss of homes during the Dunalley bushfires in mind.

“When we bought a home in Snug my wife and I wanted a premium gutter guard system for our home because I knew that falling embers were the leading cause of home loss during a bushfire,” said Lachlan.

“I was unhappy with the products and services available because I know that quality matters very much when it comes to fire protection.

“Fast forward to today and we have Gutter Knight Tasmania, the experts in all things gutter guard.

“Fire embers travel a long way in windy conditions and only quality ember guard will stop them entering the roof cavity.”

Get Lachlan around for a quote to see the difference between quality and mediocre materials.

Gutter guards are not all the same.

“I love serving our community here in Tasmania,” said Lachlan.

“I know that with every job we do we leave the home safer and healthier than we found it.”

Are you bushfire-ready?

It is not too late to prepare for bushfires.

There are a few simple steps you can take to protect yourself, your family and your property.

Doing your bushfire plan can take as little as five minutes.

Complete a bushfire plan online at www.fire.tas.gov.au or pick up a paper copy from the Kingborough Council office.

Remember that during a bushfire, you may lose phone and internet connection.

If the power goes out, you won't be able to use electric gates, electric pumps and phone chargers.

Listen to your ABC Radio station for up-to-date emergency information on 936 AM.

Burning embers can travel great distances ahead of a fire front and high winds, and falling trees and smoke can make driving dangerous.

Leaving early is always the safest option.

If you are in a high-risk area, near bushland or grassland, that may mean leaving before there are tangible signs of fire.

Stay informed and monitor conditions during the bushfire season to help you decide the best course of action.

Monitor TASALERT for emergency services updates and the Bureau of Meteorology for the latest weather updates.

Kingborough Mayor Paula Wriedt said this summer we do not want any emergencies, but it is best to be prepared.

"Natural disasters and emergencies can occur at any time, and this summer we have been warned that bushfires are a real possibility," Cr Wriedt said.

"Preparing yourself, your family and your home will put you in the best position to respond to an emergency event.

"It is important to keep yourself up to date with current conditions and warnings during the bushfire season."

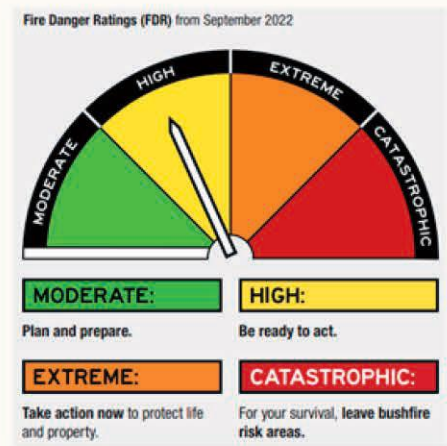

You can look at the TFS website fire.tas.gov.au and the Kingborough Council website kingborough.tas.gov.au for more information on preparing yourself and your property for the upcoming bushfire season.

You can also contact Kingborough Council's Emergency Management and Community Resilience Team at em@kingborough.tas.gov.au or call 6211 8200.

FIRE DANGER RATINGS

Fire Danger Ratings are used on days when there is a risk of fires and you need to take action.

The higher the fire danger, the more dangerous the conditions and greater the consequences if a fire starts.

BUSHFIRE PLANS

Making a plan can take as little as 5 minutes and could save your family's life. Paper copies of the plan can also be found at the Council Offices. Kingborough Council Civic Centre, 15 Channel Highway Ph: 6211 8200.

PREPARING YOUR PROPERTY

Simple things to do regularly during bushfire season include:

- Keep grass short around your property
- Prune shrubs so they are not too dense
- Clean gutters
- Move wood, mulch and flammable material away from the house

WARNINGS & ALERTS LEVELS

ADVICE: A fire is burning. There is no immediate danger. Stay up to date in case the situation changes. (May also be used to advise that a threat has reduced.)

WATCH AND ACT: A fire is burning and conditions are changing. Start taking action now to protect yourself and others.

EMERGENCY WARNING: An Emergency Warning is the highest level of warning. You may be in danger and need to take action immediately. Any delay may put your life at risk.

SMOKE ALERT: Provides information about smoke from a fire, bushfire or fuel reduction burn that may impact a community or areas of Tasmania.

When a bushfire has started, these warnings will keep you informed.

Ember guard your gutters

Ember attack is the most common way houses catch fire.

With the warmer months fast approaching and a hot summer predicted, it's imperative to be aware of the potential fire hazards that come with it.

As bushfire embers can travel for many kilometres, it's essential to take measures to protect your home from fires.

Gutter Protection Solution's ember guard system is an excellent way to prevent leaves and debris from falling into your gutters, building up and creating blockages, which can pose a potential fire hazard.

The ember guard system comes with a 25-year product and workmanship warranty and is specifically designed to meet all national ember proofing standards.

This CSIRO fire-rated woven aluminium mesh covers the guttering and prevents falling embers from entering your gutters, potentially causing a fire in the roof.

With the potential dangers of bushfires, it's crucial to take steps to protect your home and keep your family safe.

Owner and operator of Gutter Protection Solutions Mike Smith said the ember guard system has been a game-changer for thousands of clients around Tasmania in protecting their homes against embers.

The ember guard also serves a dual purpose by stopping birds and vermin from entering the gutter system.

"Our clients often tell me that the gutter guard systems we install mean they haven't had to worry about their gutters in years," Mike said.

By installing gutter guards, you can help prevent fires and keep your family and property safe. Take action to protect your home today.

Professionally cleaned gutters in time for bushfire season

Chris and Therese from Gutter-Vac Southern Tasmania recommend homes in bushfire-prone areas have roof gutters professionally cleaned before summer arrives.

"Debris in gutters acts as kindling for embers to start house fires," said Chris and Therese.

"You don't want full gutters when fires are on the horizon.

"Just because we've had a wet winter, we can't be complacent.

"Leaves become tinder-dry over summer."

Bushfire and Natural Hazards Cooperative Research Centre CEO Dr Richard Thornton is quoted in an ABC News article advising the public that any day in an environment where it is dry, where you have high winds, warmer temperatures and low humidity, will be a day that a fire can start that could potentially impact

communities.

"Residents who live in high-risk areas are urged to put together a fire plan and take practical steps around the home," said Chris and Therese.

"Scarily, 90 per cent of homes in a bushfire are lost due to an ember attack, whereby spot fires are ignited by twigs, leaves or bark embers carried by the wind.

"These embers can land in a home's guttering and ignite the property.

"Vacuum cleaning your gutters before bushfire season will ensure that this flammable fuel is removed, and your property is safer.

"It is a busy time for gutter cleaning, so book early and get the job done."

Be proactive and call the gutter cleaning specialists on 1300 654 253.
