

Tinderbox resident Alexander Hale took home the Physique Overall Champion in the Melbourne Fitness Expo held from April 13 to 14.

Tinderbox gains physique champ

Alexander Hale from Tinderbox recently competed in the Melbourne Fitness Expo from April 13 to 14 and won the Physique Overall Champion, placing first in Physique Rookie, first in Physique Open and fourth in Fitness Rookie.

Alexander has only been training seriously since December 2023, and decided to compete recently after encouragement from his coach Boris from Planet Max.

Alexander trains five times a week, eats a strict diet and has also set a side goal of doing the 75 Hard Challenge.

This challenge encourages participants to complete two 45-minute workouts each day for 75 days, as well as maintaining a structured, alcohol-free diet and reading at least 10 pages of a book each day.

On April 20, Alexander travelled to Launceston to compete in the Natural Body Building Oceania Qualifier held at the Launceston Conference Centre and will travel back to Melbourne and Sydney in the coming weeks to compete in more national competitions.

Council projects financial forecast

Kingborough Council discussed the financial report at the meeting held on the evening of Monday, April 15.

It is noted in the agenda that the Summary Operating Statement contains several variances to the original budget.

These included rates being \$91,000 under budget and statutory fees and fines being \$110,000 under budget.

A \$100,000 shortfall in rates is expected for the 2023/24 year.

User fees are \$97,000 better than budget due to greater than expected income from Kingborough Sports Centre, Kingborough Community Hub and property management.

Cash contributions are \$3000 better than budget.

The report stated that an unfavourable adjustment of \$1.619 million has been made to the end-of-year forecast.

The forecast result for 2023/24 is now an underlying deficit of \$2.229 million due to the depreciation impacts of infrastructure asset revaluations and indexations, increased road maintenance costs, lower numbers of planning applications and supplementary property rates.

LETTERS TO THE EDITOR

The Kingborough Chronicle welcomes your opinion and encourages correspondents to have their say. Mail your letter to PO Box 306, Kingston 7051 or email editorial@kchronicle.com.au. Your full name, street address and telephone number should be included. Readers are encouraged to keep their letters brief and to the point. Letters of 250 (maximum 500) words is preferred. All letters are to be submitted Thursday noon before publication. It is the newspaper's position that if you wish to pass judgement on community issues and/or individuals that your name and suburb is published. Letters with pen names will not be considered.

Call for a public meeting

Dear Editor,
I am writing regarding Kingborough Council wanting to increase their rates by 12 per cent. Kingborough Council were over budget by \$2 million for the works at the Freeman Street roundabout.

The project took double the time it was allocated.

Some of the work had to be dug up two or three times because staff/engineers made mistakes with the kerb and gutters etc.

The works at Browns Road Stage Two in which the council called for tenders, which were to be completed in the 2023-2024 financial year, had to be put off, because of their overall overspending with the Channel Highway project.

Another \$1 million project had to be delayed because of the Channel Highway project.

Developers are having a lot of problems with planning staff, who work an average of four hours a day, which causes a backlog of work.

A new General Manager started this week; now the new GM will have to sort all this mess out.

The ratepayers of Kingborough want a public meeting with the council to discuss these proposed rate hikes.

Roger McGinniss
Kingston

I can't afford it!
Where is my vote?
Why is the council not able to manage their finances with my rates having recently almost doubled?

Laura

Gardens devastated

Dear Editor,
There is a plague of wallabies and possums taking over the Kingborough area and for some of us, they are devastating our gardens and vegetable patches.

Many of us have put up with it for a few years but now it has become too much and too many.

I personally have lost a Canadian elder, two oak trees shredded, one magnolia razed to the ground and that's not to mention small trees, roses and shrubs disappearing as well.

Other members of my family have equally suffered, and their gardens are being destroyed.

Many people in the area are equally disturbed.

There must be an answer; some countries have game parks, areas for the animals to graze in and have them covered up.

There must be some authority who can deal with this problem.

I appeal for help.

Carol Prickard
Blackmans Bay

this coming year.
Based on 2023 revenues ratepayers will fund Council in excess of \$136 million dollars over the next four years.

The council's own figures dramatically show the huge rate increase over three years (2020 - 2023) of about \$7.1 million plus the \$8 million cash on hand as of 2020.

These figures demonstrate our existing councillors' inability to manage our community or its finances.

Kingborough Council has recklessly wasted rate income and now wants to disadvantage voters further at a turbulent time of greatly increased costs.

Historically, raising rates is not the answer to managing the needs of the community.

The obvious answer is to halt all ongoing or soon-to-be-implemented projects immediately until a sensible solution is found to solve our dilemma.

Secondly, major road maintenance be shifted to state government care.

Further, our councillors be reduced from 10 in number to seven and the office of Deputy Mayor be eliminated.

These number reductions would save about \$500,000 over a four-year term.

Remember the old saying 'look after the pennies (cents), the pounds(dollars) will look after themselves'.

Barry Campbell
Blackmans Bay

*Figures supplied by Mr Campbell.

Spreading it out doesn't lessen the amount

Dear Editor,
My rates have increased through the normal system from 2020-2023 by almost 100 per cent. They've almost doubled and now they want to add an additional 12 per cent?

How do they expect us to be able to accommodate this cost?

It is currently almost 1/20th of my income before their proposed rise and I have no capacity to bring in more income.

Paying it off slowly through the year does not lessen the amount of cost they want to charge for living in Kingborough.

Of course they'll vote in favour of taking our money.

Look after the pennies

Dear Editor,
Kingborough Council proposes to savagely increase rates this coming year and give ratepayers only until May 1 to respond.

Mayor Wriedt claims all councillors support this increase.

The mayor must be aware all ratepayers condemn this gross waste of our funds.

Kingborough Council has had enormous injections of funds over the last few years.

In addition, they had a cash surplus of \$8.03 million as of 2020.

They now threaten to increase rates from about 4 per cent last year to 12 per cent

Sour Greens

Dear Editor,
I am writing to you regarding the recent state election.

The Greens appear to be accusing the Lambie Party of bowing down to the Liberal Party, but it appears that they are just unhappy as both the Liberal and Labor parties will have nothing to do with them!

The Greens only wish to bring the government down so we have to go to another election, just so they can get more of their own candidates into government!

What a disgrace!

The Rotary Club of Kingston recently heard from Professor Michael Stoddart, the author of *The Blythe Star Tragedy* and a researcher at the Maritime Museum of Tasmania. *The Blythe Star* sank off the South West Cape of Tasmania on October 13, 1973 with three of the 10 crew tragically dying after eight days at sea on a life-raft. (PS)

Council queried on CEO spend

The Kingborough Council meeting agenda from April 15 included confirmation that just over \$50,000 has been spent recruiting the new chief executive officer, with another \$20,000 budgeted.

Incoming CEO Dave Stewart moved to Tasmania from New Zealand in early April to take up the position.

Mr Stewart has previously served as the General Manager of Active Communities at Auckland Council and will replace Gary Arnold, who recently retired.

Kingborough Council's Director of People and Finance David Spinks responded to a question from local David Ward in the April 15 meeting agenda and confirmed that \$50,593 had been spent on the search for a new leader 'to date'.

This figure covers recruitment agency fees, recruitment consultant travel costs, shortlisted candidate travel costs, police and other checks and personality assessments, he said.

"Council approved the recruitment costs in a closed

Council meeting in August 2023, with the costs being in line with the industry standard for the recruitment of a senior position such as this," Mr Spinks said.

"A further provision up to \$20,000 has been approved for costs associated with relocation and accommodation and these will be paid upon presentation of satisfactory receipts and approval by the mayor."

Kingborough Mayor Paula Wriedt said that selecting a CEO to lead the organisation is one of the most important decisions a council will have to make.

"This is why councils right across Australia use best practices when recruiting for the top position and utilise the skills and professionalism of external recruitment agencies," Cr Wriedt said.

"This agency was selected through a competitive tender process.

"Providing relocation costs for our new CEO is in line with industry practice."

Protesters disrupt production

On Monday, April 15 members of a protest group Stop Wars Tasmania interrupted operations at the Huntingfield workshop of Currawong Engineering.

The protest aimed to stop the Kingborough-based company from producing drone engines for the Israeli Defence Forces (IDF).

Community members entered the factory at around 10am.

Currawong Engineering produces parts for several military companies.

In the case of the IDF, they provide engines for the ThunderB-VTOL drone to BlueBird Aero Systems, a wing

of the Israeli Aerospace Industries.

This disruption took place as part of a global economic blockade known as 'A15 Action.'

"There are multiple companies in lutruwita/Tasmania supplying the IDF with parts for military weapons and equipment, or holding partnerships with Israeli military companies," Stop Wars Tasmania said in a statement.

Other companies named in the statement include Elphinstone Pty Ltd, CBG Systems, Caterpillar Inc. and HENSOLDT.

The *Kingborough Chronicle* reached out to Currawong Engineering for comment.

Calvin swimmers threaten records at carnival

Calvin Christian School held their swimming carnival recently at Clarence Aquatic Centre.

House Geneva has been the reigning swimming champion for the past three years and has managed to make it four in a row, securing victory by

a mere three points, with Westminster breathing down their necks. The final scores were Wittenberg - 586, Westminster - 745 and Geneva - 748. Swimmers Ethan and Liliana in Year 7, Lucas in Year 9 and Eva in Year 10

were stand-out competitors; all came close to breaking records, many standing since the 1980s.

The raft flip was a huge hit, led by Outdoor Education staff and Outdoor Leadership students.

86 Browns Road Kingston, Tasmania

The Raine and Horne Kingston Beach Fun Run and Walk, starting at the Little Athletics Centre on Gormley Road and finishing on Kingston Beach, will be held on Sunday, May 19. (PS)

The fastest fun run in Tassie

The 'all downhill' fastest five-kilometre fun run in Tasmania, the Raine and Horne Kingston Beach Fun Run and Walk, will be held on Sunday, May 19.

The run will begin at 9am at the Little Athletics Centre, Gormley Road, Kingston and finish on Kingston Beach. The Rotary Club of Kingston commenced the annual event in 2003 (at the old Kingston High School), making it the longest-running community event in Kingston. The event encourages family groups to participate and this year the Rotary Club of Kingston challenges business groups to include the event as part of their wellbeing program.

There are many great prizes on offer, including \$700

for the more serious runners, and heaps of spot prizes donated by local businesses.

All finishers will receive a medallion and certificate to mark their achievement.

All proceeds from the fun run are used to assist local community youth projects such as the Rotary Youth Leadership Awards (RYLA), Rotary Youth Program of Enrichment (RYPEN) and local youth groups.

As numbers are limited for the fun run, it is suggested that participants get in early to register.

Enquiries can be addressed to funrun.kingston@rotary9830.org.au or call Else Phillips on 0408 416 375.

Push to make Urgent Care Clinic a priority

The State Government announced recently that it has formed Cabinet and Kingborough Mayor Paula Wriedt called on the Premier to support the need for improved health, emergency and sporting facilities in Kingborough.

Among the council's goals is a \$30 million upgrade of the Kingston Health Centre, which was announced by the State Government in last year's budget.

This could include the creation of an Urgent Care Clinic to service the needs of Kingborough and Huon Valley communities and potentially reduce pressure on the Royal Hobart Hospital.

"I would urge the new government to make this a priority sooner, rather than later," Cr Wriedt said.

"Several months ago the State Government undertook a preliminary assessment to establish an emergency services hub in Kingborough which will include police, fire, ambulance and the State Emergency Service.

"The hub would not only provide additional space and contemporary facilities for our first responders but would also see an SES presence in the municipality for the first time."

Another concern raised was a lack of space at the Kingston Police Station for their staff.

The station cannot accommodate any additional allocation of officers within the constraints of their existing location.

The State Government identified the council works depot on the Channel Highway in Kingston (opposite the United Service Station and adjacent to Bunnings) as their preferred location for the Emergency Services Hub.

"It's great that the State Government has responded to our calls for this type of emergency services hub in Kingborough, but now we need them to make this a reality by funding the relocation of the depot facilities to free up the land and to look at funding the Spring Farm connector road to provide the necessary linkage for emergency vehicles to get from the site to the Huon Highway," Cr Wriedt said.

"Throughout successive elections, Council has also been calling out for funding help to support Kingborough's sporting infrastructure in light of significant growth in the area."

Kingborough Sports Centre precinct houses 33 different sporting clubs with participants coming travelling to Kingborough from other areas.

"Every election for the last 15 years we have seen significant promises being made for sporting infrastructure in many other municipalities with much smaller populations, especially in the north and north west of the state, yet little has been allocated to the southern region where the most population growth has been," Cr Wriedt said.

"It's time to address this inequity and support our active communities."

Hobart College honours graduates at awards evening

Hobart College recently held its annual awards evening to celebrate the significant achievements of its 2023 graduating students.

The event, attended by family, friends, dignitaries and staff, served as a collective gathering to recognise and applaud the cultural, academic and sporting accomplishments of the graduating cohort.

With over 250 subject awards and prizes presented, the evening was a testament to the students' dedication and excellence across various domains.

Notably, awards encompassed recognition for student leadership, character, service to the community and personal excellence, reflecting the holistic approach to education at Hobart College.

Principal Doctor Libby Robinson said the students showed incredible drive and perseverance in pursuing their chosen pathways.

She emphasised the college's core values of tradition, diversity and excellence as fundamental pillars that guided the students' endeavours throughout their education journey.

Alumnus Ella Smalley delivered the Occasional Address. Ella said she credits her success in medical research to resilience, dedication and independence, three main characteristics she was taught at Hobart College.

The 2023 graduating class exemplified these values throughout their two years of study, culminating in Hobart College's statewide recognition for academic and vocational education and training (VET) achievements; a reflection of the college's commitment to fostering well-rounded individuals prepared for diverse pathways.

Go to <https://hobartcollege.education.tas.edu.au/> for the full list of award winners and sponsors.

Courtland Isherwood from Kingston and Xavier Lynch from Margate received achievers' awards in Automotive Mechanical Technologies and Outdoor Leadership respectively. (PS)

The Honourable Rob Valentine MLC presented Kingston resident Finlay Grant with the Respectful Student Award at the Hobart College awards evening on Wednesday, March 27. (PS)

Kingborough Real Estate Guide

Sophisticated architectural home with water views

Explore refined living in this architecturally crafted home, meticulously designed with environmental consciousness in mind and offering a sophisticated lifestyle for discerning buyers.

Key features include German tilt and turn windows with triple glazing, zoned hydronic heating and full insulation to provide a thermal mass for year-round comfort.

Polished concrete floors, lofty ceilings and strategically placed angles take advantage of natural light and spaciousness, creating an inviting ambience.

The primary bedroom impresses with bespoke built-in robes, an ensuite, and water views.

Indulge in the main bathroom's spa-style amenities, complete with a Japanese soaking tub and floor-to-ceiling tiling.

The well-appointed kitchen showcases stainless steel benchtops, a European butler's pantry and high-end appliances seamlessly integrated with push-to-open cabinetry.

Flowing effortlessly from the open-plan dining and living areas, bi-fold doors lead to a north-facing sun-drenched deck and landscaped garden, perfect for alfresco entertaining.

Flexible living options abound with two separate living areas and a versatile loft space, perfect for a home office or teenager's retreat.

Enjoy water views from the loft, second bedroom and family areas, enhancing the tranquillity of the home.

An additional two spacious bedrooms both with built-in robes ensure ample accommodation for guests or family members.

Convenient covered parking is provided by a large double carport, complementing the landscaped gardens and level surroundings.

Nestled in a quiet cul-de-sac, this sophisticated residence offers proximity to Kingston and Hobart's amenities, combining luxury living with everyday convenience.

ANZAC Day

Lest We Forget
Advertising Feature

A pause to remember

Each year on the morning of April 25, Australians pause to commemorate the anniversary of the landing of Australian and New Zealand troops at Gallipoli in 1915.

It is a time of quiet reflection to remember the collective effort of the Australian men and women who courageously dedicated their lives to serving their country and protecting our way of life.

In Tasmania, nearly 15,500 men enlisted to defend their country, and around 3000 women enlisted as nurses.

Tragically, not all returned home, and so I am sure that across our community, we will come together to ensure these servicemen and women continue to be honoured.

Traditionally on this day, wearing a sprig of rosemary can be a symbol of remembrance.

Rosemary can be found growing wild on the plains of Gallipoli, and so is significant in helping us remember those who bravely served our state and country.

As well as commemorating the ANZACS, we also honour those who continue to serve our nation in all military and peacekeeping operations Australia has since been involved in.

On this day, we reflect on the lessons learned from the past to help guide us into a kinder and safer future.

Lest we forget.

Meg Webb MLC
Independent member for Nelson.

The Woodbridge ANZAC Day Dawn Service will be held at the Cenotaph on Thursday, April 25 and a breakfast will be offered in the school hall afterwards. (PS)

Meg Webb MLC at the Kingston Beach memorial. (PS)

This ANZAC Day, we remember both the sacrifices and the achievements of those who have served our country and their loved ones.

ANZAC Day is an important day for our nation and reminds us of the bravery of those who went into battle to defend our nation and our beliefs.

Lest we forget.

Rosie the alpaca loves the attention

Rosie the alpaca visited Hawthorn Village in Blackmans Bay recently. (PS)

On April 10, Hawthorn Village in Blackmans Bay had a visit from Rosie the alpaca.

Rosie has been visiting care homes for quite some time, is very affectionate and loves photos.

Research suggests that animals can significantly improve the health and well-being of care home residents.

Interacting with animals offered residents a way to

maintain a sense of self in the care homes, and with support, residents with dementia could also express their identities.

Facilitating residents to interact with animals as part of person-centred care may also help residents feel at home in the care facility.

Hawthorn Village is one of the Christian Homes Tasmania assisted living locations.

Rosie is very affectionate and loves posing for photos. She has been visiting the care home for a long time. (PS)

Interacting with animals can provide significant benefits to the health and well-being of care home residents. (PS)

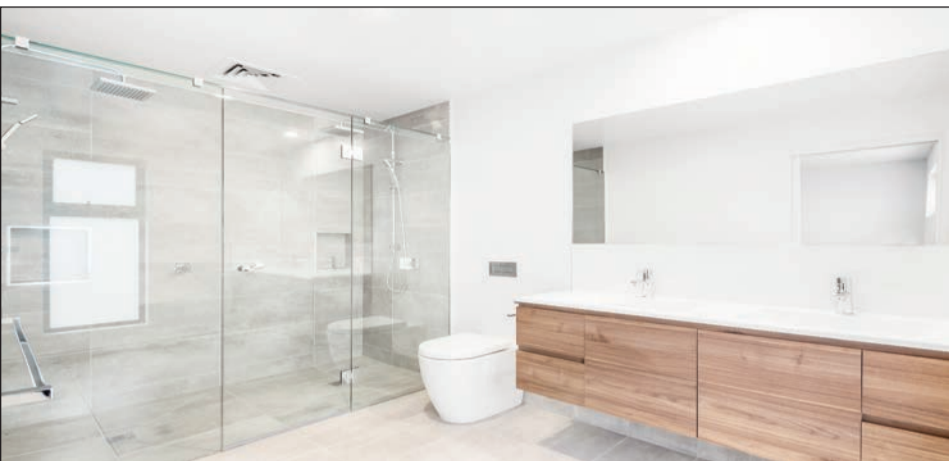

Rosie's visits can help support residents with dementia to express themselves. (PS)

HEATING FEATURE

Keep warm this winter

A great range of glass is in stock at Kingborough Glazing, ready to cut to size for your project, whether window and door glass, heater glass, picture frame glass or mirrors for your bathroom, bedroom or frame. (PS)

Quality products to suit your custom project

Kingborough Glazing offers a great range of products and services with experienced tradesmen who can provide you with the best advice and after sales service.

When thinking about keeping your home warm, upgrading to double-glazed windows and doors is one step to reducing your energy consumption.

Kingborough Glazing offers a make and supply service for residential windows and doors using the Australian

Capral Aluminium Urban suite of awning and fixed window frames and sliding or hinged doors.

Kingborough Glazing also offers a great range of frameless, semi frameless and fully framed custom-made and kit shower screens, bath screens, external and internal balustrade glass and fittings, barrier or security doors and flyscreens, custom-size mirrors, sliding wardrobe doors and they also specialise in custom architectural glass projects.

If off the shelf products won't meet your requirements, Kingborough Glazing can measure, make and install products to suit your custom project.

They are also pleased to offer their products supply only to the DIYer, along with expert advice.

A great range of glass is in stock ready to cut to size for your project, whether window and door glass, heater glass, picture frame glass and of course mirrors for your bathroom, bedroom or frame.

Call into the showroom at 3/1 Patriarch Drive, Huntingfield.

There is off street parking and a helpful team ready to assist you.

Firewood Devils is the firewood business built within Leslievale Landscape and Gravel Supplies. They provide top-quality firewood, have a certified weighbridge and delivery is available throughout southern Tasmania. Call 6239 6891 to order your firewood and keep warm this winter. (PS)

Keep your wood heater cosy and safe

Wood heater not working efficiently anymore, or looking tired or outdated?

If so, Service Pro Woodheating can guide and inform you as to what might be the best decision for the next steps.

With over 30 years of experience in the trade, Chris knows all the requirements and specifications of installing and cleaning wood heaters to make sure your home is safe and warm.

ServicePro Woodheating sells a wide range of wood heaters and products and the teams to carry out the installation.

They can give you advice and information before you purchase your wood heater, giving assurance you get

the right fit for the space you intend to use it in, saving you time and money.

They'll also recommend a regular flue clean each year, improving the proficiency and enabling the workers to carry out a safety inspection, helping to extend the life of the heater.

They'll produce a safety report after each flue clean to document the heater.

Each team member is professionally trained and offers sound advice.

One client offered recent feedback "Everything from your excellent communication prior to and during installation, your flexibility and patience, your honest advice and even the clean up after was great."

ServicePro Woodheating has more than 30 years of experience and understands all the requirements to make sure your home is safe and warm. (PS)

POSITION VACANT

Aged Care Services Manager

Classification: Modern Nurses Award or Social, Community, Home Care and Disability Services Industry Award

Employment Type: Ongoing | Part/Full Time

The Opportunity: The Aged Care Services Manager position is responsible for the efficient and effective delivery of SETAC's Aged Care programs in accordance with the relevant funding agreements and regulatory standards. This position will support and guide staff, liaise with other Aged Care Providers and Health Care Professionals.

Our Ideal Candidate

The Aged Care Services Manager will have at minimum a relevant Bachelor's degree or a minimum of three years' experience in managing Aged Care services. Our ideal candidate will have experience working in a community based setting, providing quality care. The candidate will also be across Aged Care Reforms and have experience developing and implementing policy and procedures and continuous quality improvement.

Other requirements include:

- Demonstrated experience managing a small to medium-sized community-based aged care and/or health service
- Financial management experience
- Managing and leading small teams, including conflict resolution, performance management and staff development
- Well-developed interpersonal, verbal and written communication skills
- Ability to build and manage positive relationships with key stakeholders
- Understanding of risk management and compliance requirements in relation to work health and safety and the aged care industry
- Ability to conduct research, analyse data, and write reports
- Ability to manage time in a dynamic environment

We are seeking a well rounded individual who has the ability to stay calm in a crisis situation and respond appropriately without anger or panic and who has a positive, goal orientated and solutions focused mentality to the role.

Contact: If you have any questions, please contact Laura.Pfundt@setac.org.au or on 6295 1125

Closing Date: Send EOIs to ceo@setac.org.au by Sunday, 28th April 2024.

The two Kingston High School teams won their grand finals against Hobart City High School in the Reclink Tasmania AFL 9s recently. (PS)

On Sunday, April 21 Kingborough Lions travelled to KGV to face the Glenorchy Knights in the Women's Super League. The Lions were uncomfortable away from home, down 1-3 in the first half. Despite working hard to make up for it, the Lions had a repeat in the second half with the final score being 2-6. Pictured Laura Davis. (PS Carolyn Whitehouse)

Formerly of Kingborough, Bryce Guy made his AFL umpiring debut recently in the Gold Coast versus Hawthorn match up. Gold Coast Suns won 109-56. (PS Solstice Digital)

Kingborough athletes headed to Adelaide

Five local Little Athletics athletes will be taking part in the Coles Australian Little Athletics Championships from Friday, April 26 to Sunday, April 28 at the South Australian Athletics Stadium in Adelaide.

From Kingston, Luke Gomer and Nathan Kuun. From Margate, Tyler Daun and Jasmine Taylor and from Allens Rivulet, Isabella Blaschke.

Celebrating 60 years of Little Athletics Australia, the Australian Little Athletics Championships consists of a U13, U14 and U15 Track and Field Championship including multi-class athletes and a U15 Combined Events Championship.

Over 1000 athletes are expected to compete for individual medals and team trophies.

Kingborough Tigers Junior Football Club member Matilda Lange was named Most Valuable Player for the Tasmania Devils Talent Pathway at the 2024 Marsh AFL National Development Championships for U16 girls. Matilda helped the Devils secure the win over Sydney. (PS)

The First National Blues played Cripps Waratahs at the Hobart Netball and Sports Centre on Friday evening, April 19. Both games were hard-fought but the Blues lost 39-45 in the 19s and 40-45 in the Opens. Ash Turner was Player of the Match in the Opens. (PS Carolyn Whitehouse)

Charlotte Grubb was named Player of the Match in the 19s. (PS Carolyn Whitehouse)

Tigers fight for Gadomski-Riewoldt Trophy

Clarence and Kingborough once again vied for the Gadomski-Riewoldt Trophy in their Saturday, April 20 Tasmanian State League (TSL) clash.

After a hard-fought battle, Clarence pulled away with the trophy, winning by 26 points.

First contested in 2019, the marquee fixture raises awareness and vital funds for the Alex Gadomski Fellowship, a Tasmanian research fellowship that is finding a cure for bone marrow failure syndromes (BMFS) in conjunction with Maddie Riewoldt's Vision.

The fellowship is in the name of Alex Gadomski, the late son of former Kingborough President Paul Gadomski and brother of Tiger player Lachie.

Lachie was awarded the Alex Gadomski Medal of Courage along with Clarence Roo James Holmes following the game.

Alex passed away at 21 years of age after a five-year battle with aplastic anaemia, followed by myelodysplasia (MDS) - both as a result of bone mar-

row failure.

It was Alex's dream to complete his UTAS medical degree and research how to find a cure for the disease that ultimately cut his life short.

The game was a special one for both clubs, with Clarence holding a long-standing connection with the Riewoldt family and Maddie Riewoldt's Vision.

Maddie Riewoldt was just 26 years old when she died of complications of a bone marrow failure syndrome, and she wanted to ensure nobody else went through what she did.

In addition, the TSL is encouraging players, officials, volunteers and fans to support the Red Cross with the introduction of the "Blood Cup", presented to the club that registers the most blood donations with Red Cross throughout the 2024 season.

The club with the most donations at the end of the season will be awarded the trophy, provided by AFL Tasmania.

"This game played an important role in not only raising awareness of

BMFS, but also contributing much-needed funds, of which 100 per cent of monies raised stays in Tasmania to support the AGF research team funded through Maddie Riewoldt's Vision at the Menzies Centre for Medical Research in Hobart," former Kingborough Football Club President Paul Gadomski said.

"Alex and Maddie's journeys were unfortunately very similar, with both enduring five years of treatment after treatment, many months of hospitalisation, suffering debilitating complications and ultimately losing their battles.

"Both showed immense courage during their illnesses, never complaining and never giving up hope."

Kingborough Football Club President Dan Wylie said "Every year Kingborough is so proud to play this round of games with Clarence to honour the legacies of Alex and Maddie and continue giving hope to patients with bone marrow failure syndromes".
